## Independent Auditors' Report

To the Board of Directors  
The Lord's Place, Inc.

### Report on Financial Statements

We have audited the accompanying financial statements of The Lord's Place, Inc. (a non-profit organization) (the Agency) which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Lord's Place, Inc. as of June 30, 2015 and 2014, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### Other Matters

#### Supplementary Information

Our audit of the 2015 financial statements was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the 2015 financial statements. Such information is the responsibility of management and was derived from and relates to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the 2015 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 9, 2015, on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

## NOTES TO FINANCIAL STATEMENTS

### **Note 1 – Nature of Activities and Summary of Significant Accounting Policies**

#### Nature of activities

The Lord's Place, Inc. (The Lord's Place or Agency) is a non-sectarian organization dedicated to breaking the cycle of homelessness for the most vulnerable and neglected men, women and children in our community. Supportive services offered through our housing programs include case management, mental health and substance abuse care, budget and financial counseling, as well as services designed to enter and sustain employment, reconnect with family and participate in community life.

#### Housing

The Agency is capable of housing a total of 250 homeless men, women and children. The vast majority of those who exited the Housing Programs were launched into lives of independence and self-sufficiency. Housing is provided at the Agency's Mens Campus, Family Campus, Burckle Place (a program for single women), and apartments located throughout the community.

#### Job training & employment

Employment Services offer diverse programming (apprenticeships, training, education classes, job coaching) to help clients gain meaningful employment. Of the 398 men and women who participated in the Job Training & Education Programs in 2015, 85% successfully graduated from these programs.

#### Social enterprises

The mission of The Lord's Place Social Enterprise businesses is to create jobs for individuals with significant barriers to employment. Social enterprise businesses offer an approach to employment that leverages the power of the public marketplace to provide real world job experiences for the employees. The Lord's Place operated three social enterprise businesses in 2015, The Lord's Place Thrift Store, Joshua Landscaping, and The Café Joshua Catering Company. The three programs employed 30 formerly homeless men and women. The program's operating deficit is largely funded through various grant programs with various funders.

#### Community engagement

Focusing on the chronically homeless in our community, the Lord's Place has developed a network of services to assist the most vulnerable citizens in our community have access to lifesaving health and income benefits. Utilizing the best practice SOAR (SSI/SSDI/Outreach, Access and Recovery) Program, The Lord's Place employs well trained benefit navigators who assist chronically homeless men, women and children quickly access their benefits.

In addition, The Lord's Place has been designated by the Social Security Administration as a Representative Payee Provider, allowing our organization the ability to offer indigent and/or incapacitated disabled participants financial management of their income benefits. Trained staff assists SOAR and Rep Payee Participants with budgeting their monthly income, ensuring that vital resources and service costs (housing and healthcare) are paid for each month, and monitoring participants spending. Collectively, the Agency serves an average of 100 chronically homeless individuals annually with our Benefits Navigation and Management Services.

##### Re-entry

The Lord's Place works with local agencies and providers to address systemic reform for individuals being released from jail or prison. This program represents a cost-efficient approach to the problem of re-entry. Key areas of assistance include housing, physical and mental healthcare, as well as substance abuse recovery, employment, education, finances, rights restoration, and family reunification. With the support of our partner funders and providers, we were able to serve 200 individuals in this capacity.

##### Clinical services

Clients with untreated or mismanaged health concerns can display erratic, unpredictable behavior that can negatively impact relationships, make it difficult to maintain employment and, in severe cases, even result in arrests. Untreated physical and mental health needs are a leading cause for recidivism rates among this population, making it difficult to break the cycle of homelessness. Having dedicated medical and psychiatric personnel helps us meet the needs of mentally ill clients in a comprehensive and effective manner.

Clients who present with the greatest health barriers are assigned to a multidisciplinary team. The team meets regularly to review each client's progress and provide direction for our staff. As needed, clients have access to regular therapeutic interventions, screenings by a psychiatric nurse and meetings with case management staff. The Lord's Place served 350 individuals under this program.

A summary of the significant accounting policies used to prepare the accompanying financial statements follows:

##### Basis of presentation

The financial statements are prepared on the accrual basis of accounting and in accordance with the provisions of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) FASB ASC Topic 958, *Not-for-Profit Entities*.

Unconditional promises to give (pledges) are recorded as contributions at fair value at the date the promises are received. It also requires the Agency to distinguish between promises received for each net asset category in accordance with donor restrictions, if any.

Net assets, revenue, gains and losses are classified as temporarily restricted, permanently restricted, or unrestricted based on the existence or absence, respectively, of donor-imposed or contractual restrictions. Accordingly, net assets of the Agency and changes therein are classified as follows:

**Unrestricted net assets** – Net assets available for the support of the Agency's operations. The unrestricted net assets may be used at the discretion of the Agency's management and the Board of Directors.

**Temporarily restricted net assets** – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Agency or the passage of time.

**Permanently restricted net assets** – Net assets subject to donor-imposed stipulations to be maintained permanently by the Agency. Generally, the donors of these assets permit the Agency to use all or part of the earnings on related investments for general or specific purposes.

### NOTES TO FINANCIAL STATEMENTS, CONTINUED

#### Note 1 – Nature of Activities and Summary of Significant Accounting Policies, Continued

##### Revenue recognition

The Agency receives various grants from federal, state, local, and private agencies for program and supporting service expenses. These grants are generally on a cost reimbursement basis, including recoverable overhead. Revenue from grants is deemed earned and recognized in the statements of activities when expenditures are made for the purposes specified.

The Agency is the recipient of cost reimbursement grant funds. The revenue is recognized as the specified costs described in the grant agreements are incurred. Amounts collected in advance of incurring specified costs are reflected as deferred revenue.

##### Cash and cash equivalents

Cash and cash equivalents include demand deposits, certificates of deposit, and money market accounts and other highly liquid investments with an original maturity of three months or less.

##### Contributed services

Contributions of donated services that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills that would typically need to be purchased, if not provided by donation, are recorded at their fair values in the period received.

##### Contributions and grants

Contributions and grants, including unconditional promises (pledges) to give, are recorded as support and revenue in the period the promise is received. Conditional promises are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

The Agency reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statements of activities as net assets released from restrictions. Grants receivable are stated at the amount of the uncollected balances less any allowance for doubtful accounts. There was no allowance recorded for uncollectable amounts as of June 30, 2015 or 2014.

##### Accounting estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and the differences could be material.

## NOTES TO FINANCIAL STATEMENTS, CONTINUED

### Note 1 – Nature of Activities and Summary of Significant Accounting Policies, Continued

#### Property and equipment

Property and equipment is stated at cost or, if donated, at the fair value at the date of donation. Depreciation is computed by the straight-line method over the estimated useful lives of the assets. Leasehold improvements are amortized over the lesser of the estimated useful life or lease term. These estimated useful lives are summarized in the following table:

Building and building improvements	40 years
Furniture and equipment	5-10 years
Transportation equipment	5 years

When assets are retired or otherwise disposed of, the cost or donated value and related accumulated depreciation are removed from the statements of financial position and any resulting gain or loss is reflected in the statements of activities. Maintenance and repairs are charged to expense as incurred.

#### Deferred loan costs

Costs associated with the issuance of debt are capitalized and amortized using the effective interest method over the term of the debt. At June 30, 2015 and 2014, the net debt issuance costs included in other assets in the statements of financial position are \$5,282 and \$7,048, respectively.

#### Income taxes

The Agency was granted tax-exempt status under Internal Revenue Code Section (IRC) 501(c)(3). Accordingly, no provision for income taxes has been recorded in the accompanying financial statements. The Agency is required to operate in conformity with the provisions of the IRC to maintain its exempt status.

Management analyzes tax positions in jurisdictions where it is required to file income tax returns. Based on its evaluation, management did not identify any tax positions for which it is reasonably possible that the total amounts of unrecognized tax benefits will significantly increase or decrease. Interest and penalties attributable to income taxes, if any, are included in operating expenses. No such interest or penalties were recorded for the year ended June 30, 2015. The Agency is no longer subject to income tax examinations for years prior to 2012.

#### Functional expenses

The Agency allocates its expenses on a functional basis among its various programs and supporting services. Expenses that can be identified with a specific program and supporting service are allocated directly according to their natural expenditure classification. Other expenses that are common to several functions are allocated by various statistical bases as determined by management.

#### Reclassifications

Certain amounts appearing in the 2014 financial statements have been reclassified to conform with the 2015 presentation.

**Note 3 – Fair Value Measurements**

FASB ASC Topic 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. As of June 30, 2015 and 2014, the Agency had no Level 2 or Level 3 assets or liabilities.

The Agency's Level 1 investments consist of mutual funds, money market funds and fixed income mutual funds with quoted values that are publicly traded on national exchanges.

The Agency's funds are established for the purposes expressed in the Agency's charter. The Agency's funds consist of donor-restricted funds and funds designated by the Board of Directors to function as an endowment. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of relevant law

The Agency adopted the Florida Uniform Prudent Management of Institutional Funds Act (FUPMIFA). FUPMIFA requires the Board of Directors to use reasonable care, skill and caution as exercised by a prudent investor, in considering the investment management and expenditures of endowment funds. In accordance with FUPMIFA, the Board of Directors may expend so much of an endowment fund as the Board of Directors determines to be prudent for the uses and purposes for which the endowment fund is established, consistent with the goal of conserving the purchasing power of the endowment fund.

Endowment balances classified as unrestricted assets consist of accumulated investment return in which the donor has not restricted the Agency's use of such return or endowments where the Board of Directors, rather than the donor, decides to retain and invest in principal with only income to be expended.

Funds with deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Agency to retain as a fund of perpetual duration. There were no funds with deficiencies as of June 30, 2015.

**THE LORD'S PLACE, INC.**

**NOTES TO FINANCIAL STATEMENTS, CONTINUED**

**Note 13 – Endowment, Continued**

Return objectives and risk parameters

The Agency has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to grant programs supported by its endowment while seeking to maintain purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Agency must hold in perpetuity as well as board designated funds. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of multiple benchmarks based on the type of investment while assuming a moderate level of investment risk. The Agency expects its endowment funds, over time, to provide an average rate of return of approximately 5% annually. Actual returns in any given year may vary from this amount.

Strategies employed to achieve objectives

To satisfy its long-term rate-of-return objectives, the Agency relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Agency targets a conservative allocation to achieve its long-term return objectives within prudent risk constraints.

Spending policy

The Agency's policy is to appropriate for distribution each year an amount equal to 100% of the respective endowment funds' earnings. Accordingly, over the long-term, the Agency expects the current spending policy to allow its assets to grow at an average of approximately 5% annually. This is consistent with the Agency's objective to maintain the purchasing power of the assets held to provide additional real growth through investment return.

Changes in endowment net assets for the year ended June 30, 2015 are as follows:

	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Balance as of July 1, 2014	\$ 418,212	\$ -	\$ 575,107	\$ 993,319
Gifts and designations	3,210	-	-	3,210
Appropriations for endowment expenditures	<u>(30,000)</u>	<u>-</u>	<u>-</u>	<u>(30,000)</u>
Balance as of June 30, 2015	<u>\$ 391,422</u>	<u>\$ -</u>	<u>\$ 575,107</u>	<u>\$ 966,529</u>

**Note 14 – Legal Proceedings**

From time to time, the Agency is subject to legal proceedings which arise in the ordinary course of its operations. Management believes that the final resolution of these matters will not have a material adverse effect on the Agency's financial position, cash flows, or results of operations.

**Note 15 – Subsequent Events**

The Agency evaluated events occurring subsequent to June 30, 2015 through December 9, 2015, the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the footnotes thereto.

The purpose of the accompanying schedule of expenditures of federal awards and state financial assistance (the Schedule) is to present, in summary form, total federal award and state financial assistance expenditures of The Lord's Place, Inc. (the Agency) for the year ended June 30, 2015 which have been financed under the various federal award programs and state financial assistance projects. The Schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Therefore, certain amounts presented in this Schedule may differ from amounts presented in the basic financial statements. **Note 2 – Subrecipients**

None of the federal expenditures presented in the accompanying schedule of expenditures of federal awards and state financial assistance was provided to subrecipients.

**Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards**

To the Board of Directors  
The Lord's Place, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of The Lord's Place, Inc. (the Agency) as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise The Lord's Place, Inc.'s basic financial statements, and have issued our report thereon dated December 9, 2015.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered The Lord's Place, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of The Lord's Place, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of The Lord's Place, Inc.'s internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether The Lord's Place, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditors' Report on Compliance with Requirements applicable to Each Major Federal Award and on Internal Control Over Compliance in Accordance With OMB Circular A-133**

To the Board of Directors  
The Lord's Place, Inc.

**Report on Compliance for Each Major Federal Award**

We have audited The Lord's Place, Inc.'s compliance with the types of compliance requirements described in the OMB Circular A-133 Compliance Supplement that could have a direct and material effect on each of The Lord's Place, Inc.'s major federal awards for the year ended June 30, 2015. The Lord's Place, Inc.'s major federal awards are identified in the summary of auditor results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal awards.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for each of The Lord's Place, Inc.'s major federal awards based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal award occurred. An audit includes examining, on a test basis, evidence about The Lord's Place, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal award. However, our audit does not provide a legal determination of The Lord's Place, Inc.'s compliance.

**Opinion on Each Major Federal Award**

In our opinion, The Lord's Place, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal awards for the year ended June 30, 2015.

## Report on Internal Control over Compliance

Management of The Lord's Place, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered The Lord's Place, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal award to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal award and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of The Lord's Place, Inc.'s internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal award on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal award will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal award that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
