The allocation process is the cornerstone of the Town of Palm Beach United Way. Each year, we entrust volunteers to carefully review grant requests from our partner agencies and make sound funding decisions on how best to invest United Way campaign dollars. These dedicated community advocates serve as the eyes and ears of more than 3,500 donors. They spend hours reviewing grant applications, attending site visits and meeting with team members. They identify the greatest needs in our community and challenge each agency's effectiveness at meeting those needs, ensuring fiscal accountability and results-driven programming from all partners receiving United Way funds. For more information about volunteering contact the Town of Palm Beach United Way at info@palmbeachunitedway.org or 561-655-1919.
