INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Clinics Can Help, Inc.
West Palm Beach, FL

Opinion

I have audited the financial statements of Clinics Can Help, Inc. (a not-for-profit organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In my opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of Clinics Can Help, Inc., as of December 31, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am required to be independent of Clinics Can Help, Inc. and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Clinics Can Help, Inc.'s ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such audit procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Clinics Can Help, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Clinics Can Help, Inc.'s ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

DANIEL J. ALLEGRETTI, CPA, P.A.

CLINICS CAN HELP, INC.
Notes to Financial Statements
December 31, 2021

NOTE 1 – NATURE OF ORGANIZATION'S ACTIVITIES

Clinics Can Help, Inc. ("Clinics Can Help") is a Florida not-for-profit corporation exempt from income tax under 501(c)(3) of the Internal Revenue Code. The organization accepts donations of gently used and new durable medical equipment and unwrapped medical supplies that it provides to patients who may not be able to afford medical equipment for their physical recovery.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting & Presentation

Clinics Can Help's financial statements have been prepared using accrual basis accounting in accordance with generally accepted accounting principles (US GAAP). The Organization reports information regarding its activities and financial position according to separate classes of net assets based on the existence or absence of donor-imposed restrictions.

Net assets without donor restrictions - resources management and the governing Board has sole discretion to expend for any purpose towards its mission.

Net assets with donor restrictions - resources expendable for purposes or future periods as expressly specified or implied by the donor.

(b) Cash

Clinics Can Help's cash balance consists of deposit accounts held at an FDIC-insured bank.

(c) Certificates of Deposit

Certificates of deposit held at FDIC-insured commercial banks with original maturities greater than three months that do not meet the definition of cash equivalents or debt securities are considered other investments. Certificates of deposit are valued at amortized cost.

(d) Contributions Receivable

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Conditional promises to give which have a measurable performance barrier and right of return are not recognized until the conditions have been substantially met.

(e) Medical Equipment and Supplies

Medical equipment and supplies are warehoused on site until recipients have been identified. Purchased items are recorded at cost and donated items are recorded based on the estimated fair market value on the date of donation. The value of medical equipment and supplies held in inventory is not subject to subsequent remeasurement.

(f) Property and Equipment

Acquisitions of property and equipment over \$1,000 with useful lives expected to exceed one year are capitalized. Purchased assets are recorded at cost and donated assets are recorded at fair value on the date of donation. Depreciation expense is calculated using the straight-line method over the estimated useful lives of the assets.

CLINICS CAN HELP, INC.
Notes to Financial Statements
December 31, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(g) Accounts Payable and Accrued Expenses

Accounts payable and accrued expenses include amounts invoiced by vendors and operating expenditures incurred during the accounting period, but not payable until the following year.

(h) In-kind Donations

Clinics Can Help recognizes in-kind contributions of donated medical equipment and supplies based on the estimated fair value on the date of donation. Donated services are recognized if the services require specialized skills, performed by individuals who possess those skills, and would be purchased if not donated.

The organization receives in-kind contributions of donated services from volunteers who assist with the organization's activities that do not meet the criteria for recognition under US GAAP. Therefore, no contribution or expense is recognized.

(i) Contributions and Grants

Contributions are reported without donor restrictions if available for general operations by the organization. Contributions are reported with donor restrictions if available for donor-imposed purposes or future periods. If a donor restriction is satisfied within the same reporting period as awarded, the contribution is classified without donor restrictions. Contributions received in prior periods for which donor restrictions have been satisfied in the current year are classified as net assets released from restrictions in the statement of activities.

(j) Functional Classification of Expenses

In the statement of activities, expenses are reported as either program services or supporting activities. Program services are expenses incurred for the primary activities that fulfill Clinics Can Help's mission. Supporting activities are administrative and fundraising expenses that are not directly identifiable as program services.

Indirect costs not directly identified as program services or supporting activities are allocated among functions based on an equitable basis. Payroll and related expenses are allocated based on time and effort. Facilities expenses, depreciation, insurance, and telephone are allocated based on the ratio of total direct costs.

(k) Income Taxes

Clinics Can Help is exempt from federal income tax under IRC Section 501(c)(3). For the year ended December 31, 2021, there were no activities conducted by the organization that would require recognition or disclosure in the financial statements of material uncertain tax positions for tax liabilities incurred from unrelated business taxable income.

CLINICS CAN HELP, INC.
Notes to Financial Statements
December 31, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(l) Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates based on assumptions that affect specific reported amounts and disclosures. Significant estimates include in-kind donations of medical equipment, functional allocation of expenses, medical equipment and supplies, and depreciable lives of property and equipment.

NOTE 3 – CONCENTRATIONS OF CREDIT RISK

Clinics Can Help's cash deposits and certificates of deposit have been placed with a high credit financial institution that is insured by the Federal Deposit Insurance Corporation up to \$250,000. During the year, total balances may exceed FDIC federally-insured limits. The organization has not experienced any losses with respect to its deposit accounts.

NOTE 4 - AVAILABILITY AND LIQUIDITY OF FINANCIAL ASSETS

As of December 31, 2021, the following financial assets are available for general expenditures over the following year reduced by amounts not available due to internal designations or donor restrictions:

Financial assets:	
Cash	\$ 652,727
Certificates of deposit	101,767
Contributions receivable	<u>90,576</u>
Total financial assets	845,070
Amounts unavailable for general use:	
Donor-restricted for Mobile Unit project	<u>(100,000)</u>
Financial assets available to cover cash needs for general expenditures over next 12 months	<u><u>\$ 745,070</u></u>

The organization considers contributions restricted for programs which are ongoing, major, and central to annual operations to be available for general expenditures. Cash is maintained in a checking account to fund near-term operating needs, and surplus cash is deposited into a savings account and certificate of deposit to maintain sufficient reserves.

NOTE 5 – CONTRIBUTIONS RECEIVABLE

As of December 31, 2021, unconditional promises to give of \$90,576 are expected to be fully collected within one year based on amounts received in prior years and are recorded at net realizable value.

CLINICS CAN HELP, INC.
Notes to Financial Statements
December 31, 2021

NOTE 6 – PROPERTY & EQUIPMENT

As of December 31, 2021, the Organization's property and equipment consisted of the following major classes of depreciable assets. Depreciation expense recorded for the year was \$44,708.

Land	\$	245,340
Building		357,245
Improvements		921,158
Equipment		40,281
Vehicles		40,156
		<u>1,604,180</u>
Accumulated depreciation		<u>(193,979)</u>
Total property and equipment, net	\$	<u><u>1,410,201</u></u>

NOTE 7 - NET ASSETS WITH DONOR RESTRICTIONS

As of December 31, 2021, net assets with donor restrictions were available for and released from the following purpose and time restrictions:

	12/31/2020	Additions	Releases	12/31/2021
Medical equipment	\$ 100,000	\$ 81,512	\$ (100,000)	\$ 81,512
Lending Closet	89,376	90,576	(89,376)	90,576
Mobile Unit	-	100,000	-	100,000
Total	<u>\$ 189,376</u>	<u>\$ 272,088</u>	<u>\$ (189,376)</u>	<u>\$ 272,088</u>

Medical Equipment - Contributions restricted for the purchase of specialized medical equipment used in the Lending Closet and KINDER programs.

Lending Closet - The program provides medical equipment and supplies to individuals in need from in-kind donations it receives from individuals, medical supply companies, hospitals, and schools. Grants are restricted for specific operating costs of the program to be incurred in the following fiscal year.

Mobile Unit - The program will provide medical equipment and supplies to individuals who lack access to transportation. Start up costs include investment in mobile transit vans, equipment, and personnel necessary to operate the program.

NOTE 8 – EMPLOYEE BENEFIT PLAN

Clinics Can Help established a 403(b) retirement plan for all employees who are immediately eligible upon their date of hire. The Organization automatically makes contributions equal to 2% of wages for eligible employees. For the year ended December 31, 2021, the Organization contributed \$9,557 to the 403(b) retirement plan for their employees.

CLINICS CAN HELP, INC.
Notes to Financial Statements
December 31, 2021

NOTE 9 – PAYCHECK PROTECTION PROGRAM

In May 2020, the Organization was approved for a \$64,982 loan through the U.S. Small Business Administration ("SBA") under the Paycheck Protection Program ("PPP"). A forgiveness application was submitted to certify that eligibility criteria was maintained and proceeds were used for qualifying costs in accordance with the CARES Act. On January 4, 2021, the Organization received confirmation that the SBA fully approved the amount submitted for forgiveness to release Clinics Can Help from any liability under the promissory note. The amount forgiven was recognized as a grant in 2020.

In February 2021, the Organization was approved for an additional \$64,982, a Second Draw of its loan through the SBA under the PPP. During 2021, loan repayments were deferred in accordance with the Paycheck Protection Flexibility Act of 2020. On August 31, 2021, the SBA confirmed that the loan was approved for forgiveness to release the Organization from any liability under the promissory note. The amount forgiven is recorded as contributions and grants in the accompanying statement of activities.

NOTE 10 – SUBSEQUENT EVENTS

In preparing the financial statements, management evaluated events and transactions for potential recognition or disclosure in the financial statements through April 7, 2022, the date of which the financial statements were available to be issued.
