#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Gulfstream Goodwill Industries, Inc. West Palm Beach, Florida

#### **Opinion**

We have audited the accompanying combined financial statements of Gulfstream Goodwill Industries, Inc. (the "Organization"), which are comprised of the combined statements of financial position as of December 31, 2022 and 2021, and the related combined statements of activities, changes in net assets, cash flows and functional expenses for the years then ended, and the related notes to the combined financial statements.

In our opinion, the combined financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Organization as of December 31, 2022 and 2021, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the combined financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the combined financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the combined financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combined financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing
  an opinion on the effectiveness of the Organization's internal control. Accordingly, no
  such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

To the Board of Directors
Gulfstream Goodwill Industries, Inc.

#### **Supplementary Information**

Our audits were conducted for the purpose of forming an opinion on the combined financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards and Other Financial Assistance, as required by Title 2 U.S. Code of Federal Regulations, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards; is presented for purposes of additional analysis and is not a required part of the combined financial statements. The accompanying supplemental information shown on pages 36 and 37 are presented for purposes of additional analysis, as required by the Combined Audit Guide for Audits of HUD Programs issued by the U.S. Department of Housing and Urban Development, Office of the Inspector General, and is not a required part of the financial statements. The accompanying supplemental information shown on pages 38 and 39 as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the combined financial statements. The information has been subjected to the auditing procedures applied in the audits of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the combined financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated July 5, 2023, on our consideration of the Organization's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

#### NOTES TO COMBINED FINANCIAL STATEMENTS

Years Ended December 31, 2022 and 2021

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Combination and Basis of Presentation**

Gulfstream Goodwill Industries, Inc. ("Goodwill") is a community service organization whose mission is to fund, design, and deliver vocational and training programs that serve people with disabilities and other barriers to employment. The goal of Goodwill's services is to assist those served in becoming an integral part of the local workforce and to lead independent lives. Goodwill's income is derived principally through the sale of contributed goods, and from funding received from various governmental resources. To achieve its mission, Goodwill is committed to being the following:

- A premier provider of quality rehabilitation, employment, and training opportunities for people with barriers to employment and independence.
- Recognized as a community leader and partner, communicating closely and networking with key community groups to respond to ever-changing social problems and ensure wide use of community resources.
- A quality retailer, offering high quality, economical and fashionable merchandise, in well maintained locations, within the communities Goodwill serves.
- A quality industrial work program, providing timely delivery of quality products and services to community businesses and industry.

Goodwill serves Palm Beach, Martin, St. Lucie, Indian River, and Okeechobee counties in Southeast Florida and maintains administration facilities in West Palm Beach, Florida.

Gulfstream Goodwill Academies, Inc. (the "Academy") is a Florida nonprofit corporation. Through December 31, 2021, Goodwill was the sole member of the Academy. Effective January 1, 2022, the Academy became a separate organization and is no longer a subsidiary of Goodwill. On January 1, 2022, Goodwill recognized a net asset transfer of approximately \$9,300 associated with the Academy.

GGI Ability Services, Inc. ("Abilities") is a Florida nonprofit corporation whose operations commenced October 1, 2022. Abilities' purpose includes job training and supported employment for individuals with disabilities through a contract with the Army Corp of Engineers at the Okeechobee Waterways. Abilities employees are responsible to mow and maintain levies and recreational areas around Lake Okeechobee with the requirement that a minimum of 70% of the employees have a disability.

#### **Combination and Basis of Presentation (Continued)**

GGI Foundation, Inc. (the "Foundation") is a Florida nonprofit corporation whose operations commenced December 1, 2022. The Foundation's purpose includes providing support to Gulfstream Goodwill Industries, Inc., and to other programs furthering rehabilitation, training, employment, and or low-income housing for persons with disabilities, and the disadvantaged throughout the southeast Florida region.

GGI Retail Services, Inc. ("Retail Services") is a Florida nonprofit corporation formed October 1, 2022. Retail Services' purpose includes to provide training, employment and to foster personal growth for persons with disabilities and those with disadvantages who cannot be readily absorbed in the competitive labor market or during such time as employment opportunities for them in the competitive markets do not exist. The skillful use of recognized techniques of evaluation, training, and employment shall seek to assist persons with disabilities, and the disadvantaged, to attain the fullest development of which they are capable; and the collection and selling of articles, reconditioned, and assembled shall be a necessary part of the social and educational service program of this corporation. Through the year ended December 31, 2022, there were no operations or activity by this organization.

GGI Human Services, Inc. ("Human Services") is a Florida nonprofit corporation whose operations commenced October 1, 2022. Human Services' purpose includes providing rehabilitation re-entry services, training, employment and to foster low-income housing for personal growth as an interim step in the rehabilitation process for persons with disabilities and those with disadvantages who cannot be readily absorbed in the competitive labor or housing market or during such time as employment opportunities for them in the competitive markets do not exist. By inspiration to the skillful use of recognized techniques of rehabilitation, social work, life guidance, evaluation, training, employment, and low-income housing, this corporation shall seek to assist persons with disabilities, and the disadvantaged, to attain the fullest development of which they are capable. Through the year ended December 31, 2022, there were no operations or activity by this organization.

Worn Not Wasted, Inc. ("WNW"), is a Florida for profit corporation whose primary operations were to operate as a secondhand clothing marketplace. Operations commenced January 1, 2022. During 2022, the governing board elected to wind-down WNW. All activity associated with WNW has been classified for 2022 as a component of discontinuing operations in these combined financial statements.

Goodwill, the Academy (through January 1, 2022), Abilities, the Foundation, Retail Services, Human Services and WNW share common management, and have been presented on a combined basis (collectively, the "Organization"). All significant interorganization accounts and transactions have been eliminated.

#### Combination and Basis of Presentation (Continued)

The Organization's combined financial statements are presented in accordance with Financial Accountant Standards Board ("FASB") Accounting Standards Codification ("ASC") 958-205, *Presentation of Financial Statements*. This standard requires the classification of the Organization's combined financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

- Net assets without donor restrictions this classification includes those net assets whose use is not restricted by donors, even though their use may be limited in other respects, such as by contract or by board designation. Changes in net assets arising from exchange transactions (except income and gains on assets that are restricted by donors or by law) are included in the without donor restrictions.
- Net assets with donor restrictions this classification includes those net assets whose use by the Organization has been limited by donors as to time or purpose or in which the principal is to remain intact for perpetuity.

#### **Use of Estimates**

The preparation of combined financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Cash and Cash Equivalents

For the purposes of the combined statements of cash flows, the Organization considers money market accounts and short-term investments with original maturities of three months or less to be cash equivalents. However, cash and cash equivalents maintained by the Organization's investment managers are part of the Organization's long-term investment policy and are classified as investments. Cash and cash equivalents held within the beneficial interest in trusts accounts are classified as part of those asset categories in the combined statements of financial position.

#### Investments

The Organization's investments are reported at fair value (see Note 3). Fair value is determined for those investments with readily determinable market values using the quoted closing or latest bid prices. Realized gains and losses on investment transactions are determined by specific identification and are recognized as incurred in the combined statements of activities and changes in net assets as the difference between proceeds received and the carrying value. Dividends are recorded in income based on declared dates. Interest is recognized when earned. Changes in net unrealized gains and losses are reported in the combined statements of activities and changes in net assets and represent the change in the market value of investment holdings during the year. Interest, dividends, realized gains and losses, and net unrealized gains and losses, are recorded as investment return, net in the combined statements of activities and changes in net assets.

#### Fair Value Measurement

FASB ASC 820, Fair Value Measurement, establishes a framework for measuring fair value and provides a fair value hierarchy that categorizes into three levels the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Unadjusted quoted prices in active markets for identical assets or liabilities.
- Level 2 Inputs other than quoted prices in active markets that are either directly or indirectly observable.
- Level 3 Significant unobservable inputs for the assets or liability in which little or no market data exists.

Investments are stated at fair value, based on quoted market prices of those investments, or by using the net asset value ("NAV") as a practical expedient, as quoted by the custodian. If available, quoted market prices are used to value investments. U.S. mutual and index funds and exchange traded products are valued at the closing price reported on the major market on which the individual securities are traded.

Beneficial interest in trusts approximates fair value by recording the Organization's relative share of assets that are held by the custodian and valued using quoted market prices of underlying assets discounted with an appropriate interest rate and expected term.

#### **Accounts Receivable**

Accounts receivable consists of amounts due from various government agencies and vendors that contract with the Organization for services (see Note 4). Accounts receivable are recognized at the net amount that management expects to be collected based on established collection history and review of individual balances. Amounts charged for goods and services that are not expected to be received, representing contractual adjustments and implicit price concessions, are recognized as a reduction of the related revenue. The Organization recognizes a separate allowance only when it determines there has been an unforeseeable change in the customer's ability to pay subsequent to the delivery of goods and services resulting in an impairment loss. Such account balances are charged off against the allowance after all means of collection have been exhausted and the potential for recovery is considered remote.

#### **Prepaid Expenses and Other Assets**

Prepaid expenses and other assets consist of utility and security deposits, prepaid insurance, postage, and rent. Also included is a supply inventory, consisting of small general office and maintenance supplies which are stated at lower of cost or market, and a reserve deposit for unemployment claims (see Notes 5 and 14).

## **Contributed Goods Inventory**

Contributed goods inventory consists of donor contributed goods, which are valued according to an estimate of fair value at the time of the donation. Contributed goods inventory is valued at an estimated net market value utilizing the average store sales less gross profit based upon inventory turnover at the Organization's retail locations.

## Land, Building, and Equipment

Land, building, and equipment are recorded at cost, if purchased, or fair value, if donated, less accumulated depreciation. Depreciation is computed on the straight-line method over the estimated useful asset lives, ranging from 3-30 years. Capital expenditures in excess of \$500 are capitalized and depreciated. Maintenance and repair costs are expensed as incurred.

#### **Beneficial Interest in Trusts**

Beneficial interest in trusts represent agreements in which the Organization has been named the residual or income beneficiary of an irrevocable trust, unitrust, or similar arrangement (see Note 7). The Organization has legally enforceable rights and claims to either a specific income stream or a remainder interest in the assets; however, the donor or donor-designated beneficiary may retain a beneficial interest. The assets are administered by third-party investment managers and distributions are made to the Organization or to the beneficiaries under the terms of the agreements. The Organization records its interest at estimated fair value. Subsequent adjustments to estimated fair value are reported as a change in value of beneficial interest in trusts in the combined statements of activities.

## **Revenue Recognition**

The Organization recognizes revenue in accordance with FASB Accounting Standards Update ("ASU") 2014-09, *Revenue from Contracts with Customers* (Topic 606) ("ASU 2014-09"), as amended. ASU 2014-09 applies to exchange transactions with customers that are bound by contracts or similar arrangements and establishes a performance obligation approach to revenue recognition. The Organization records the following exchange transaction revenue in its combined statements of activities and change in net assets:

Contributions and Contributions of Inventory - Contributions are recognized at their estimated value on the date received by the Organization.

## Revenue Recognition (Continued)

Contributed Goods Store Sales - Contributed goods store sales consists of the sale of donated goods. The sale of each individual item is recorded at the point of sale, which is the point the performance obligation for each individual item sold is met. Because store sales are a pass-through conduit for collecting and remitting sales tax, store sales do not include sales tax. Discounts are offered in store for seniors (25%) and Good Friends members (25%). If probable customer returns exist at the end of an accounting period, the Organization estimates and records in its financial statements a liability for such returns, which offsets revenue. No liability for probable customer returns was considered necessary as of December 31, 2022 and 2021. Goodwill recognized a liability of approximately \$256,000 and \$242,000 for the discount program under the Good Friends Membership at December 31, 2022 and 2021, respectively.

Contributed Goods E-commerce - Goodwill established an on-line sales program (Shopgoodwill.com, and Bluebox) in which it sells goods over the Internet. E-commerce merchandise is priced as advertised online, including shipping charges. E-commerce sales are sold Freight on Board ("FOB") shipping and therefore sales are recorded when the goods are shipped, the point at which the performance obligation for each individual item is met. If probable customer returns exist at the end of an accounting period, the Organization estimates and records in its financial statements a liability for such returns, which offsets revenue. No liability for probable customer returns was considered necessary as of December 31, 2022 and 2021.

Employment, Training, and Contracts - The Organization receives funding under various federal, state and local government programs and public grants. Services include janitorial, landscape maintenance, and warehouse management. Services are ongoing as defined by the contract, and performance obligations under each contract are defined in terms of various performance indicators including, but not limited to, hours worked, and units produced. Goodwill invoices the customers based on the appropriate performance indicator and records revenue as the services are performed.

Salvage and Recycling - Salvage and recycling consists of the bulk sale of donated goods which have not otherwise been sold as contributed goods store sales. Salvage is bundled, and each individual bundle is considered a separate performance obligation. Salvage is sold FOB at pricing determined by existing customer agreements, and revenue from each bundle is recorded when the bundle is shipped to the customer.

Participant Rents - Goodwill operates a rental assistance program under the U.S. Department of Housing and Urban Development ("HUD"). Program participants are required to contribute a specified percentage of their individual income as rent; these amounts are reflected as a component of other revenues in the combined statements of activities and changes in net assets. Revenue for these services is recorded when the service has been provided as determined by the satisfactory completion of the defined performance indicators.

## Revenue Recognition (Continued)

*Promises to Give* - Unconditional promises to give are generally recognized at their net realizable value in the period received and as assets with or without donor restrictions, depending upon donor restrictions and/or expected time of payment. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

The Organization classifies grants received as either contributions or exchange transactions based upon whether the resource provider is receiving commensurate value from the grant recipient. If no commensurate value is received by the grant maker, the transfer is classified as a contribution subject to conditions.

Donated Services - Unpaid volunteers have made significant contributions of their time to develop and maintain the Organization's programs. Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. No amounts have been reflected in the financial statements for such donated services.

The composition of revenue is as follows for the years ended December 31, 2022 and 2021:

	2022	2021
Store Sales	67.2%	66.3%
Government Contracts	22.5%	21.2%
Non-Government Contracts	7.0%	10.3%
Other	3.3%	2.2%

#### **Expense Allocation**

The costs of providing the program and supporting services are summarized on a functional basis in the combined statements of functional expenses. The cost of goods sold consists of the estimated fair value of donated items. The costs of operating the retail locations including transportation and processing of contributed goods is recognized according to the nature of the item. Most expenses can be directly attributed to the program or supporting functions. Certain categories of expenses are attributed to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The amount of time spent on various functional categories by the employees is used to develop percentages that are used in allocating salary and related expenses, and other expenses which cannot be specifically identified with a particular functional activity.

#### **Income Taxes**

Goodwill, the Academy, Abilities, the Foundation, Retail Services, and Human Services are exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code of 1986 (the "Code") and from state income taxes under similar provisions of the State of Florida Income Tax Code. The Organization has been classified as a publicly supported organization, which is not a private foundation under 509(a) of the Code. The Organization did not engage in any unrelated business activities during the years ended December 31, 2022 and 2021, and accordingly there is no provision for income taxes reflected in the accompanying combined financial statements.

WNW was established as a corporation whose activity are subject to federal and state income taxes where applicable. WNW incurred losses during 2022 and as such had no income taxes due. The Organization's board has elected to discontinue WNW and as such, any net operating losses are not recoverable. The Organization's management considers additional tax disclosures to be immaterial to the combined statements.

The Organization follows FASB ASC 740, *Accounting for Uncertainty in Income Taxes*. This standard seeks to reduce the diversity in practice associated with certain aspects of measurement and recognition in accounting for income taxes. It prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position that an entity takes or expects to take in a tax return. An entity may only recognize or continue to recognize tax positions that meet a "more-likely-than-not" threshold. The Organization assesses the income tax positions based on management's evaluation of the facts, circumstances, and information available at the reporting date. The Organization uses the prescribed more-likely-than-not threshold when making their assessment. As of December 31, 2022, with few exceptions, the Organization is no longer subject to income tax examinations on its federal income tax returns prior to 2019.

#### Advertising

Goodwill expenses advertising costs as they are incurred. Advertising expense was approximately \$247,000 and \$70,000 for the years ended December 31, 2022 and 2021, respectively, and is reflected as part of supplies, printing, promotion, and other in the combined statements of functional expenses.

#### **Shipping Expense**

Shipping expense is incurred as a result of the E-commerce, and Bluebox program and is expensed as incurred.

## **Comparable Information and Reclassifications**

The combined financial statements include certain prior-year summarized comparable information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's consolidated financial statements for the year ended December 31, 2021, from which the summarized information was derived. Certain 2021 amounts have been reclassified to conform to 2022 classifications. These reclassifications would have no effect on the 2021 change in net assets.

#### **New Accounting Pronouncements**

On January 1, 2022, the Organization adopted ASU 2016-02, *Leases* ("ASC 842"), that requires all non-cancellable leases greater with terms longer than 12 months to be recognized on the combined balance sheets (see Note 11). The Organization utilized the modified retrospective approach to record the leased assets and liabilities as of January 1, 2022. At January 1, 2022, there was a cumulative change in accounting principle as a result of this adoption and the previous deferral of gain on sale on lease-back is not recognized under ASC 842 (see Note 6).

#### **Subsequent Events**

Management has evaluated subsequent events for recognition and disclosure through July 5, 2023, the date the financial statements were available to be issued.

#### NOTE 2 - LIQUIDITY AND AVAILABILITY OF RESOURCES

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. The Organization has various sources of liquidity at its disposal, including cash and cash equivalents, investments, and a line of credit (see Note 9).

In addition to financial assets available to meet general expenditures over the next 12 months, the Organization operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures.

As of December 31, 2022 and 2021, the following tables show the total financial assets held by the Organization that could readily be made available within one year of the balance sheet date to meet general expenditures:

	2022	2021
Cash and cash equivalents	\$ 1,381,270	\$ 4,579,096
Investments Accounts receivable	6,080,400 3,389,487	6,567,627 1,920,566
Total	\$ 10,851,157	\$ 13,067,289

#### **NOTE 3 - INVESTMENTS**

The following table sets forth financial instruments, by level, within the fair value hierarchy as of December 31, 2022:

	Fair Value Measurement						
		Level 1	]	Level 2	L	evel 3	Total
Investments							
Cash and money market funds	\$	1,083,517	\$	_	\$	_	\$ 1,083,517
Certificates of deposit		- -		251,591		-	251,591
Domestic equities and mutual funds		445,591		-		-	445,591
Corporate bonds		2,280,383		-		-	2,280,383
ETF funds		2,019,318		-		-	2,019,318
Total investments	\$	5,828,809	\$	251,591	\$	-	\$ 6,080,400

The following table sets forth financial instruments, by level, within the fair value hierarchy as of December 31, 2021:

	Fair Value Measurement						_	
		Level 1		Level 2	]	Level 3		Total
Investments Domestic equities and mutual funds Certificates of deposit	\$	6,317,627	\$	250,000	\$	- -	\$	6,317,627 250,000
Total investments	\$	6,317,627	\$	250,000	\$	-	\$	6,567,627

At December 31, 2022 and 2021, the costs of investments were approximately \$6,165,000 and \$6,314,000, respectively.

## NOTE 4 - ACCOUNTS RECEIVABLE

Accounts receivable as of December 31, 2022 and 2021, consisted of the following:

	2022	2021
Government contracts	\$ 2,555,463	\$ 1,015,804
Non-government contracts	498,348	648,956
E-commerce	280,290	153,764
Store sales	48,365	95,273
Other	7,021	6,769
	\$ 3,389,487	\$ 1,920,566

#### NOTE 5 - PREPAID EXPENSES AND OTHER ASSETS

Prepaid expenses and other assets as of December 31, 2022 and 2021, consisted of the following:

	2022	2021
Prepaid insurance	\$ 1,076,229	\$ 1,255,907
Prepaid expense	432,918	153,883
Prepaid rents and rental deposits, net	168,491	246,914
Prepaid property tax	158,384	31,323
Supplies	44,501	107,936
Utility deposits	25,913	25,463
Prepaid postage	246	1,192
	\$ 1,906,682	\$ 1,822,618

#### NOTE 6 - LAND, BUILDINGS, AND EQUIPMENT

Land, building, and equipment as of December 31, 2022 and 2021, consisted of the following:

	2022	2021
Land	\$ 1,033,612	\$ 1,033,612
Building	5,367,322	5,367,322
Building improvements	206,827	181,773
Leasehold improvements	4,743,914	5,962,846
Automotive	950,526	2,124,688
Furniture and equipment	5,320,332	7,324,518
Construction in process	2,965	209,875
Capital lease vehicles and equipment		706,233
	17,625,498	22,910,867
Less accumulated depreciation	(9,627,772)	(13,808,734)
	\$ 7,997,776	\$ 9,102,133

Depreciation and amortization expense for the years ended December 31, 2022 and 2021 was approximately \$1,419,000 and \$1,231,000, respectively.

The net book value of assets under capital lease at December 31, 2021, was approximately \$522,000. On January 1, 2022, the previous carrying value associated with capital leases were reclassified as part of the adoption of ASC 842 (see Note 11).

During 2020, the Organization entered into an agreement to sell two properties to an unrelated third party for approximately \$11,500,000 as part of separate sale-leaseback transactions. In connection with the sale-leaseback transactions, the Organization recognized total gains in 2021 of approximately \$436,000. At December 31, 2021, the Organization had a deferred gain of approximately \$6,700,000. On January 1, 2022, the previous deferred gain was recognized as an increase of net assets as a cumulative effect of a change in accounting principle from the adoption of ASC 842.

#### NOTE 7 - BENEFICIAL INTEREST IN TRUSTS

Fair values of beneficial interest in trusts measured on a recurring basis as of December 31, 2022 and 2021, according to Level 3 of the fair value hierarchy, are as follows:

	 2022		2021	
Level 3:				
Beneficial interests in investment assets	\$ 29,253	\$	35,819	

A reconciliation of the Organization's Level 3 instruments for the years ended December 31, 2022 and 2021, is provided below:

	Goodwill	
Balance, beginning of year ended January 1, 2021 Investment returns, net	\$	31,332 4,487
Balance, year ended December 31, 2021		35,819
Investment returns, net		(6,566)
Balance, year ended December 31, 2022	\$	29,253

FASB ASC 820 requires disclosure of quantitative information about the unobservable inputs used to measure Level 3 assets and liabilities. The following table provides information about Level 3 instruments at December 31, 2022 and 2021:

	Fair Value	Valuation Techniques	Unobservable Inputs
Goodwill:			
		Third-party	Fair value of
	2022 <b>- \$29,253</b>	valuation	assets held by
Beneficial interest in assets	2021 - \$35,819	pricing	third party

#### **NOTE 8 - ACCRUED EXPENSES**

Accrued expenses as of December 31, 2022 and 2021, consisted of the following:

	2022	2021
Accrued payroll and related payables	\$ 1,648,991	\$ 1,478,396
Other accrued expenses	171,295	600,705
Accrued purchases	84,365	196,689
Accrued sales tax	207,850	88,226
Accrued retail gift cards	111,089	119,055
	\$ 2,223,590	\$ 2,483,071

#### NOTE 9 - LINE OF CREDIT

During December 2022, Goodwill obtained a \$3,500,000 revolving line of credit from a financial institution which is collateralized by the assets of Goodwill. Interest only payments are due monthly on outstanding borrowings at a variable interest rate of Prime minus 0.5% with a 3.00% floor (7% at December 31, 2022). The terms of the note require a one day resting period (i.e., no outstanding balance) during each calendar year. There is a \$600,000 outstanding balance at December 31, 2022, with \$2,900,000 available under the line of credit. During the year ended December 31, 2022, the Organization paid \$350 in interest. The line of credit requires the Organization to maintain certain covenants, including a liquidity covenant. Management is not aware of any violations of the covenants at December 31, 2022.

#### **NOTE 10 - INSURANCE NOTE PAYABLE**

During 2022, Goodwill entered into a financing agreement to fund its insurance premiums. The agreement specifies 12 monthly payments of approximately \$210,000 of principal and interest at an annual rate of 5.44%, of which five monthly payments remain as of December 31, 2022. During 2021, Goodwill entered into a financing agreement to fund its insurance premiums. The agreement specifies 12 monthly payments of approximately \$203,000 of principal and interest at an annual rate of 3.77%, of which five monthly payments remain as of December 31, 2021. The Insurance note payable was approximately \$839,000 and \$811,000 at December 31, 2022 and 2021, respectively.

#### **NOTE 11 - RIGHT-OF-USE LEASES**

Prior to the adoption of ASC 842, the Organization leased certain equipment which was classified as a capital lease and was included within land, building, and equipment at December 31, 2021. The lease agreements required monthly payments between \$405 and \$4,528 and mature between March 2021 and September 2023. The capital lease payable was approximately \$722,000 at December 31, 2021.

Effective 2022, all non-cancellable leases with terms greater than 12 months are recorded as both right-of-use lease assets and lease obligations based upon the present value of the lease payments. The Organization has elected to exclude any payments associated with a lease agreement that are for services other than the rental of the specific leased asset.

#### **Financing Leases**

The Organization leases certain vehicles with final maturities ranging from April 2022 to July 2027. For 2022, the weighted average term of the Organization's financing leases was 3.65 years, and the weighted average discount rate was 3.86%.

## NOTE 11 - RIGHT-OF-USE LEASES (Continued)

## Financing Leases (Continued)

Amounts reflected in the combined financial statements for ASC 842 are as follows:

Right-of-Use Financing Lease Assets:	
Asset recognized as of January 1, 2022	\$ 599,909
Plus additions	467,310
Less amortization expense	 (187,876)
Right-of-use lease assets, net at December 31, 2022	\$ 879,343
Right-of-Use Financing Lease Obligations:	
Obligations recognized as of January 1, 2022	\$ 721,506
Plus additions	467,310
Plus amount charged to interest expense	43,367
Less amount paid during 2022	 (374,101)
Obligations recognized as of December 31, 2022	858,082
Less: current portion	 (254,385)
Long-term portion	\$ 603,697

The following schedule outlines the approximate undiscounted cash outflows for rent due under the financing leases as of December 31, 2022:

Year Ending December 31,	Amount
2023	\$ 274,403
2024	210,309
2025	209,905
2026	178,893
2027	33,593
Total minimum lease payments	907,103
Less amount representing interest	(49,021)
Right-of-use lease obligations	\$ 858,082

## **Operating Leases**

The Organization leases property and equipment. These leases are set to end at varying dates from February 2023 through June 2040, unless extended. For 2022, the weighted average term of the Organization's operating leases was 9.01 years, and the weighted average discount rate was 3.77%.

## NOTE 11 - RIGHT-OF-USE LEASES (Continued)

## **Operating Leases** (Continued)

Amounts reflected in the combined financial statements for ASC 842 are as follows:

Right-of-Use Operating Lease Assets:	
Asset recognized as of January 1, 2022	\$ 47,490,443
Additions during 2022 net of incentives received	2,896,165
Less non-cash portion of amount charged to lease expense	 (6,315,478)
Right-of-use lease assets, net at December 31, 2022	\$ 44,071,130
Right-of-Use Operating Lease Obligations: Obligations recognized as of January 1, 2022 Additions during 2022 Plus amount charged amount charged to lease expense Less amount paid during 2022	\$ 47,490,433 3,167,212 1,454,209 (7,305,506)
Obligations recognized as of December 31, 2022	44,806,348
Less: current portion	 (5,784,680)
Long-term portion	\$ 39,021,668

The following schedule outlines the approximate undiscounted cash outflows for rent due under the operating leases as of December 31, 2022:

Year Ending December 31,	Amount
2023	\$ 7,350,536
2024	6,947,414
2025	6,408,548
2026	5,941,882
2027	5,472,259
Thereafter	21,038,362
Total minimum operating lease payments	53,159,001
Less amount representing interest	(8,352,653)
Right-of-use operating lease obligations	\$ 44,806,348

The right-of-use assets and lease obligations are presented combined on the statement of financial position.

## **Lease Expense**

The following summarizes the Organization's lease and rent expenses for the year ended December 31, 2022:

Total lease expense and rent		14,034,626
Less other rents and charges excluded from ASC 842		(5,762,658)
Total lease expense under right-of-use leases Less expense on right-of-use financing leases		8,271,968 (231,243)
Total lease expense under right-of use operating leases	\$	8,040,725

#### **NOTE 12 - EMPLOYEE BENEFIT PLANS**

Goodwill maintains a qualified thrift plan under section 403(b) of the Code. Under this plan, Goodwill, at its discretion, will make a matching contribution on the employee's behalf equal to 100% of the first 4% of employee's allowable contribution. Goodwill contributed approximately \$251,000 and \$221,000 to the plan for the years ended December 31, 2022 and 2021, respectively.

#### **NOTE 13 - RELATED-PARTY TRANSACTIONS**

During 2022 and 2021, Goodwill paid Goodwill Industries International ("GII"), an affiliated national organization, approximately \$178,000 and \$179,000 for annual dues, respectively, which is reflected in the membership dues line in the combined statements of functional expenses.

#### NOTE 14 - COMMITMENTS AND CONTINGENCIES

#### **Self-Insured Unemployment Claims**

As provided by Florida law for 501(c)(3) non-profit organizations, the Organization seeks to control the costs of unemployment claims through self-insurance, versus paying a specified rate to the state of Florida. The amount designated for such claims is noted as reserve for unemployment claims, which is part of prepaid expenses and other assets on the combined statements of financial position (see Note 5).

The Organization is involved in various legal actions related to unemployment claims that arise in the normal course of business. In management's opinion, such matters will not have a material effect upon the financial position of Goodwill.

#### **Liability Insurance**

The Organization is insured for professional/general liability and malpractice through a claims-made insurance policy. The policy is scheduled to expire in May 2024 and is expected to be renewed.

#### Litigation

Management is unaware of any outstanding liability claims. Accordingly, these combined financial statements do not include a provision for incurred but not reported claims.

#### **NOTE 14 - COMMITMENTS AND CONTINGENCIES (Continued)**

#### **Paycheck Protection Program**

On May 14, 2020, the Organization received loan proceeds from a financial institution, who is a member of the Small Business Administration ("SBA"), in the amount of approximately \$4,400,000 under the Paycheck Protection Program ("PPP"). The PPP, established as part of the Coronavirus Aid, Relief and Economic Security ("CARES") Act, provides for loans to qualifying businesses for amounts up to 2.5 times the average monthly payroll expenses of qualifying businesses. The loan was unsecured and bore interest at 1.0% per annum. As subsequently amended by the PPP Flexibility Act, the principal balance and accrued interest were expected to be forgivable over a period of up to 24 weeks to the extent the Organization had eligible expenditures (including payroll, benefits, rent and utilities) and maintained certain payroll levels. In July 2021, the Organization received full forgiveness from the SBA. The Organization recognized, as a component of miscellaneous revenue, approximately \$1,634,000 during the year ended December 30, 2021, of loan forgiveness based on its payroll expenditures.

#### **NOTE 15 - CREDIT RISKS**

Financial instruments which potentially subject the Organization to concentrations of credit risk principally consist of cash and cash equivalents, accounts receivable, investments, and beneficial interest in trust. The Organization maintains its cash in bank deposit accounts, which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. The Organization believes that it is not exposed to any significant credit risk on cash and cash equivalents or investments, given the credit quality of the financial institutions which the Organization utilizes.

The investments and beneficial interest in trusts are subject to the risk of market fluctuations.

With respect to accounts receivable, the Organization does not believe it is subject to significant credit risk as its principal account debtors are the Department of Transportation which accounts for approximately 10% of the outstanding balance, Palm Beach County, Division of Human Services, which accounts for approximately 14%, and the U.S. Army Corps of Engineers, which accounts for approximately 18%. The remaining balance of accounts receivable is owed by a variety of organizations or companies.

#### NOTE 16 - NET ASSETS WITH DONOR RESTRICTIONS

As of December 31, 2022 and 2021, net assets with donor restrictions consisted of the following sub-categories:

		2022		2021		
Goodwill: Perpetuity	•	29,253	\$	35,819		
1 cipetuity	Ψ	27,233	Ψ	33,017		

During 2022 and 2021, approximately \$-0- was released from restriction.

#### **NOTE 17 - ENDOWMENTS**

The Organization is required to provide information about net assets which are defined as endowments, which consist of donor-restricted funds that have been limited by the donors to be held for a specified time period. Management has interpreted the applicable laws related to endowments as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result, the Organization classifies donations to be held in perpetuity at the original value of the gifts donated and any gains and losses to the funds held by third parties to the permanent endowment; the income derived from which is expendable to support the various programs sponsored by the Organization in accordance with the donor's wishes.

The Organization seeks earnings from its invested assets in order to provide funds in support of its mission to support Organization and its mission. The Organization seeks both (a) capital appreciation to assure its beneficiary's long-term viability and special, high-quality services, and (b) current income to support the annual operating expenses of its beneficiaries and the Organization.

The following table shows the activities in the Organization's endowments for the years ended December 31, 2022 and 2021:

	With Donor Restrictions Permanent in <u>Nature</u>
Endowments net assets January 1, 2021	\$ 31,332
Investment return, net	4,487
Endowment net assets, December 31, 2021	35,819
Investment return, net	(6,566)
Endowment net assets, December 31, 2022	\$ 29,253

#### **NOTE 18 - DISCONTINUED OPERATIONS**

Effective December 31, 2022, WNW's operations were discontinued. Goodwill recognized a loss of \$906,998 for the year ended December 31, 2022. The following summarizes by major category components of the loss on discontinuing operations for the year ended December 31, 2022.

Total support and revenue		\$ 39,541

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of Gulfstream Goodwill Industries, Inc. West Palm Beach, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the combined financial statements of Gulfstream Goodwill Industries, Inc. (the "Organization") which comprise the combined statement of financial position as of December 31, 2022, and the related combined statements of activities, and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the combined financial statements, and have issued our report thereon dated July 5, 2023.

#### **Report on Internal Control over Financial Reporting**

In planning and performing our audit of the combined financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the combined financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's combined financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described above and would not necessarily identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Directors of Gulfstream Goodwill Industries, Inc.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's combined financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of combined financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Tampa, Florida July 5, 2023

## INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of Gulfstream Goodwill Industries, Inc. West Palm Beach, Florida

#### Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Gulfstream Goodwill Industries, Inc.'s (the "Organization") compliance with the types of compliance requirements described in the U.S. Office of Management and Budget ("OMB") *Compliance Supplement* that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2022. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America ("GAAS"); the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

#### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs.

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Non-compliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

To the Board of Directors of Gulfstream Goodwill Industries, Inc.

#### **Report on Internal Control over Compliance**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the Organization as of and for the year ended December 31, 2022, and have issued our report thereon dated July 5, 2023, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

MSL, P.A.

#### 1. Basis of Presentation

The above schedule includes the federal award and other financial assistance of Gulfstream Goodwill Industries, Inc. for the year ended December 31, 2022. The information in this schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations*, Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of Gulfstream Goodwill Industries, Inc., it is not intended to, and does not, present the financial position, changes in net assets, or cash flows of Gulfstream Goodwill Industries, Inc.

#### 2. Summary of Significant Accounting Policies

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles continued in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

#### 3. Indirect Cost Rate

Gulfstream Goodwill Inc. has elected to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.
