INDEPENDENT AUDITOR'S REPORT

Board of Directors
College for Kids, Inc. d/b/a Take Stock in Children Palm Beach County
West Palm Beach, Florida

Opinion

We have audited the accompanying financial statements of College for Kids, Inc. d/b/a Take Stock in Children Palm Beach County (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021 and the related statements of activities, cash flows and functional expenses for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of College for Kids, Inc. d/b/a Take Stock in Children Palm Beach County as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of College for Kids, Inc. d/b/a Take Stock in Children Palm Beach County and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about College for Kids, Inc. d/b/a Take Stock in Children Palm Beach County's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

INDEPENDENT AUDITOR'S REPORT (continued)

Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of College for Kids, Inc. d/b/a Take Stock in Children Palm Beach County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about College for Kids, Inc. d/b/a Take Stock in Children Palm Beach County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

1. **NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES**

Organization: College for Kids, Inc., d/b/a Take Stock in Children of Palm Beach ("TSIC") is a Florida non-profit corporation organized to mentor and invest in under-resourced students to develop perseverance, accept personal accountability, and succeed academically so they can achieve their dreams.

Basis of Accounting: TSIC's financial statements have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Date of Management's Review: In preparing the financial statements, TSIC has evaluated events and transactions for the potential recognition or disclosure through October 7, 2022, the date that the financial statements were available to be issued.

Cash and Cash Equivalents: For purposes of the statement of cash flows, TSIC considers demand deposit bank accounts with an original maturity of three months or less to be cash equivalents.

Grants and Pledges Receivable: Grants and pledges receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to grants and accounts receivable. At June 30, 2022 and 2021, there was no valuation allowance for uncollectible amounts because management considered all grants receivable to be fully collectible. Changes in the valuation allowance have not been material to the financial statements.

Investments: Investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Property and Equipment: TSIC records property and equipment additions of \$1,000 or more at cost. Depreciation is computed on the straight-line basis over the expected useful lives of the assets. Maintenance expenses are charged to expense as incurred.

Functional Allocation of Expenses: The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and detailed in the statement of functional expenses. Certain costs have been allocated among the programs and supporting services benefited.

Income Taxes: As a non-profit corporation, qualified under Section 501(c)(3) of the Internal Revenue Code, TSIC is exempt from corporate income taxation on income related to its exempt function. Therefore, no provision for income taxes has been made in the accompanying financial statements.

The Organization has not incurred any interest or penalties on its income tax returns.

The Organization's returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

 Notes to Financial Statements
 June 30, 2022 and 2021

1. NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fair Value of Financial Instruments: Cash equivalents, grants and pledges receivable, prepaid expenses, accounts payable, refundable advances, and tuition payable are reflected in the financial statements at cost, which approximates fair value because of their short-term nature.

Contributed Services and Facility: Contributions of donated services that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair value in the period received. Contributed facility is also recorded at their fair value in the period received.

Prepaid Tuition: TSIC participates in the Florida Prepaid College Foundation (the "Foundation") "STARS" Scholarship Project (Stanley Tate Project "Scholarship Tuition for At-Risk Students") whereby TSIC purchases scholarship plans and pays 50% of the scholarship plan contract price. The Foundation provides the remaining 50% of the contract price as a match. The scholarship plans are assigned by TSIC to eligible students, defined as designated beneficiaries, who meet the standards specified in TSIC's scholarship program. These scholarships are assets of TSIC until such time that designated beneficiaries have exhausted tuition credit hours or expire. TSIC maintains an accounting for tuition credit hours and recognizes the tuition expense based on credit hours used by the designated beneficiaries. The amounts recognized by TSIC as assets and expenses are based on its 50% share of the scholarship plan contract price as adjusted to reflect the fair value of the unused tuition credits determined by the Foundation at June 30, 2022 and 2021. In the event of cancellation or termination of scholarship plans, TSIC is entitled to a credit from the Foundation based on TSIC's share of the value of the unused tuition credit hours available.

Scholarship Expense: Scholarship expense is based upon TSIC scholarships credit hours used by the designated beneficiaries net of the change in fair value of the unused tuition credits.

Scholarship expense for the years ended June 30, 2022 and 2021 are as follows:

	<u>2022</u>	<u>2021</u>
Scholarships	\$ 310,931	\$ 371,934
Change in Fair Value of Florida Prepaid Tuition Credits	118,926	105,904
	<u>\$ 429,857</u>	<u>\$ 477,838</u>

Net Assets: Net assets, revenues, gains and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Notes to Financial Statements
June 30, 2022 and 2021

1. NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

We report contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

2. LIQUIDITY AND RESERVES

TSIC has a policy to manage its liquidity and reserves following three guiding principles: operating within a prudent range of financial stability, maintaining adequate liquidity to fund near-term operations, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged. The following table reflects TSIC financial assets as of June 30, 2022 and 2021, reduced by amounts not available for general expenditures within one year.

	<u>2022</u>	<u>2021</u>

4. BENEFICIAL INTEREST IN ASSETS HELD BY COMMUNITY FOUNDATION

TSIC established a board designated endowment fund (the "Fund") with the Community Foundation for Palm Beach and Martin Counties (the "Foundation") by transferring funds without donor restrictions to the Foundation. The Fund held by the Foundation is reported as Beneficial Interest in Assets Held by Community Foundation on the statements of financial position. The Fund is carried at fair value as determined by the Foundation. At June 30, 2022 and 2021, the amount recorded as Beneficial Interest in Assets Held by Community Foundation was \$26,102 and \$28,901, respectively. Control over the administration, investment and distribution of the Fund is exercised exclusively by the Foundation. All funds transferred to the Foundation are irrevocable.

4. BENEFICIAL INTEREST IN ASSETS HELD BY COMMUNITY FOUNDATION (continued)

The transfer of funds without restrictions to the Foundation met a requirement to receive a \$25,000 matching grant. The funds comprising the matching grant are assets of the Foundation and are controlled and maintained by the Foundation. The matching grant funds and any future donor advised contributions received directly by the Foundation are reported separately from the Fund and is not included in the Beneficial Interest in Assets Held by the Foundation assets.

The Foundation invests the endowment funds in accordance with its normal investment guidelines and are adjusted for the results of the investment performance in accordance with the procedures adopted by the Foundation. It is the general policy of the Foundation to make distributions from the funds in accordance with the spending policy adopted by the Foundation, which may change from time to time. There were no distributions from the endowment funds during the years ended June 30, 2022 and 2021.

Changes in the endowment net assets for the years ended June 30, 2022 and 2021, are as follows:

	<u>Net Assets Without Donor Restrictions</u>	<u>Net Assets With Donor Restrictions</u>	<u>Total Endowment Net Assets</u>

5. REFUNDABLE ADVANCE

On March 29, 2020, following the passage of the CARES Act, the Small Business Administration provided small business owners and non-profit organizations impacted by COVID-19 the opportunity to obtain financial assistance. TSIC has applied for, and received \$133,672 and \$165,600 from the CARES Act's Paycheck Protection Program (PPP) for the years ended June 30, 2021 and 2020, respectively. TSIC records the PPP funds in accordance with FASB ASC 958-605 as a conditional contribution. The PPP requires recipients to use the funds principally for payroll and other qualified expenses in order for the funds to be recognized as revenue.

During the years ended June 30, 2022, 2021, and 2020, TSIC has recognized \$0 and \$142,526 and \$125,830, respectively, of PPP assistance as revenue and is reported in the statements of activities as Federal Program Grants. The portion of the financial assistance not recognized as revenue is reported in the statements of financial position as Refundable Advance. At June 30, 2022 and 2021, Refundable Advance was \$0 and \$30,916, respectively.

The Small Business administration (SBA) has notified TSIC that \$134,684 of the \$165,600 disbursed funds received in the year ended June 30, 2020 has been forgiven. TSIC repaid \$30,916 to the SBA in the year ended June 30, 2022.

6. NET ASSETS WITH DONOR RESTRICTIONS

At June 30, 2022 and 2021, net assets with donor restrictions are available for the following purposes:

	<u>2022</u>	<u>2021</u>
Mentoring and Support	\$ 561,762	\$ 477,398
Special Events	41,439	7,000
	<u>\$ 603,201</u>	<u>\$ 484,398</u>

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes or by the occurrence of other events specified by donors as follows:

	<u>2022</u>	<u>2021</u>
Scholarships and Mentoring	\$ 534,166	\$ 528,253
Special Event	7,000	5,000
	<u>\$ 541,166</u>	<u>\$ 533,253</u>

7. CONCENTRATIONS OF CREDIT RISK

Financial instruments which potentially subject TSIC to concentrations of credit risk consist primarily of cash equivalents, investments, and unsecured receivables. TSIC's ability to collect these receivables is dependent upon economic conditions and the financial condition of its customers. TSIC has not experienced significant losses related to receivables. Management believes no additional credit risk is inherent in TSIC's grants and pledges receivable.

At June 30, 2022, TSIC had approximately \$312,800 invested in mutual funds with a major financial institution. Although the market value of investments is subject to fluctuations on a year-to-year basis, management believes the investment policy is prudent for the long-term welfare of TSIC. Due to the diversity and composition of its investments, management feels it is not exposed to any significant credit risk on these accounts.

At June 30, 2022, TSIC had \$2,029,100 in cash, of which \$1,394,900 was in excess of the federally insured limits. TSIC has not experienced any losses in such accounts.

8. COMMITMENTS AND CONTINGENCIES

Leases: TSIC leases its office facility under an operating lease expiring in July 2026. TSIC also leases office equipment under an operating lease that expired in December 2021. Rental expense for the operating leases totaled \$34,624 and \$31,381 for the years ended June 30, 2022 and 2021, respectively.

Future minimum lease payments are as follows:

Year Ending June 30,	2023	\$ 32,752
	2024	33,708
	2025	34,719
	2026	35,761

During the years ended June 30, 2022 and 2021, a donor provided direct funding to the Florida Prepaid Foundation for certain students participating in TSIC's scholarship program with the Florida Prepaid Foundation. Based on estimated costs, the value for tuition and other costs provided to the students resulted in TSIC not paying \$54,534 and \$27,152, respectively.

TSIC was provided professional and other services for its mentoring and event programs. Based on the current market value of the services provided, the TSIC would have paid \$208,797 and \$212,733 in years ended June 30, 2022 and 2021, respectively.

TSIC leases office space at a rental rate less than market value. Based on current market rates, TSIC would have paid an additional \$24,150 and \$29,252 for the years ended June 30, 2022 and 2021, respectively.

10. RETIREMENT PLAN

TSIC has established a Simple IRA Plan for all eligible employees. Participation in the plan by the employee is voluntary. TSIC is required to make a matching contribution equal to the employee's elective salary deferral up to a limit of 3% of the employee's compensation. The retirement plan expense was \$17,187 and \$16,197 for the years ended June 30, 2022 and 2021, respectively.

11. FAIR VALUE MEASUREMENTS

Accounting Standards Codification 820 ("ASC 820"), Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical issues or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

11. **FAIR VALUE MEASUREMENTS (continued)**

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that TSIC has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value on a recurring basis:

Investments: Investments are comprised of mutual funds and are valued at the net asset value of shares held at year end reported on the active market on which the mutual funds are traded.

Prepaid Tuition: The value is determined by the number of prepaid tuition credit hours purchased less the prepaid credit hours used, adjusted for the present value of the prepaid tuition credit hours as calculated by the Florida Prepaid College Foundation taking into consideration the type of scholarship purchased, the credit hours available and the expected matriculation date of the student.

Beneficial Interest in Community Foundation: The value of the beneficial interest in the community foundation's investments is determined by the investment fund manager of the organization holding the assets. The composition of the assets held by the community foundation are invested pursuant to its governing instruments and valued accordingly.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while TSIC believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
