Leadership Giving

TOWN OF PALM BEACH UNITED WAY
2021-2022
Why we support the Town of Palm Beach United Way

“I personally give to the Town of Palm Beach United Way because it is the most efficient and trusted way for Norma and I to help support our community’s needs.”

Bill Tiefel  
Chairman of the Board of Trustees

“Barbara and I's greatest reason for supporting the Town of Palm Beach United Way is because all of the funds go to local organizations that support families in need. Whether it's a food bank, a shelter for abused women or an agency helping underprivileged youth achieve vocational careers, the charities are carefully vetted and the United Way grants truly make a difference.”

Richard Rothschild  
General Campaign Chairman
Leadership giving is what enables the Town of Palm Beach United Way to serve our community. Last year alone, members of the Alexis de Tocqueville and Red Feather Societies contributed a combined $7,165,052 or 93% of our annual campaign. These funds have been strategically invested in programs that are helping thousands of individuals and families every day.

Our leadership donors are forward-thinking, community-minded individuals who set the standard of giving in Palm Beach. They give to the Town of Palm Beach United Way because they know their gifts help fund programs that demonstrate clear and measurable results that truly transform lives and communities in Palm Beach County.

The Town of Palm Beach United Way’s unique value lies in our ability to effectively and efficiently leverage the collective resources of local individuals, companies, nonprofits and government to focus on the critical education, health and income challenges facing Palm Beach County, in order to build a stronger, healthier, more vibrant community.

Thank you for leading the way in meeting the needs of today and investing in a better future. Please know that your gift at the leadership level makes a tremendous difference and inspires others to join you in offering hope and opportunity to the thousands of less fortunate children and adults we serve through our partner agencies each year.

Bill Tiefel
Chairman of the Board of Trustees
Town of Palm Beach United Way

Beth Walton
Chief Executive Officer
Town of Palm Beach United Way
The Town of Palm Beach United Way’s Tocqueville Society members are visionary community champions who are committed to contributing $10,000 or more annually. Last campaign, under the chairmanship of Bill and Phyllis Mack and Jeff and Nicola Marcus, 222 members contributed $6,168,516. Since its inception in 1990, Tocqueville members have contributed just over $88 million to meet the needs of Palm Beach County.

Society members are individuals who go above and beyond the call of duty and community service. Their commitment stretches far beyond the financial contribution. They are compassionate community leaders who recognize the importance of building a strong community today and preparing for tomorrow, for their family, co-workers, neighbors and employees.
We Salute You

The women and men who have joined the Alexis de Tocqueville Society over the years – your amazing demonstrations of support have helped improve education, health and income outcomes for countless people in Palm Beach County.

"With outstanding integrity and governance, the Town of Palm Beach United Way leads us in working together to improve the well-being of all our citizens. In providing services and opportunities, their unsurpassed commitment builds the foundation of this community."

Irene and Jim Karp
In 1928, the Red Feather Society was adopted by many Community Chests as a way to promote and reward generosity and volunteerism. In 1987, the Town of Palm Beach United Way introduced the Red Feather Society to recognize those individuals who have generously contributed above and beyond to help people in need.

Since its inception, the Society has raised $17 million. Last year, under the chairmanship of Ann Heathwood, 490 members of the Red Feather Society contributed $996,536.

Allocation Committee of the Town of Palm Beach United Way 2021-2022

The Town of Palm Beach United Way works closely with our partner agencies to identify community needs and ensure annual donations are carefully and thoughtfully put to good use to help the people who need it most. Local nonprofits apply for grants from the Town of Palm Beach United Way in 15 health and human service program areas.

Each year, dedicated community volunteers review applications, participate in interviews and agency site visits and meet with team members to make important funding recommendations to the Board of Trustees. These Allocation Committee volunteers serve as the eyes and ears of thousands of donors.

The allocation process is the cornerstone of our United Way. In the process, volunteers challenge each agency’s effectiveness at providing services, review the need for those services in Palm Beach County, and analyze the impact of United Way funding in meeting those needs. It ensures fiscal and program accountability for all agencies receiving Town of Palm Beach United Way funds.
