The work of the Glades Initiative targets both service providers and residents of the Glades communities by investigating service delivery barriers to health and human services, developing strategies to overcome those obstacles and implementing effective strategies. Some of our services target providers through increased collaboration and communication, such as culturally appropriate trainings, medical interpreter training, networking meetings for identified needs, the Glades Area Resource Guide, Glades Community Updates, a weekly email communication, web-based community calendar and advocacy, while other services benefit residents directly, through our bilingual Community Resource Educators, who assist residents, with limited English, low literacy, and limited or no access to computers in receiving services. Glades Initiative expects to increase access to services and information, reduce the barriers to health and human services, impact more effective service provision, and increase services to residents, resulting in a healthier more productive community. For more detailed program information see attached Schedule O.

Other: Program Services Accomplishments 2020-21: Our programs at The Glades
Initiative revolve around increasing access to health and human services by removing
the barriers that both residents and providers encounter within the system of
care. We do this through increasing communication, collaboration, and by connecting
residents to services. Our mission is to improve the coordination and effectiveness
of the health and human service in the Glades area of Palm Beach County. Connecting
the Glades : Our Community Resource Educators assisted over 3,337 uninsured and
underserved Glades residents with access to various health and human services.

This past year, even with all the challenges that COVID-19 brought to our service
delivery, we assisted 2,721 of our low income residents with the online application
process for DCF Services such as: Medicaid/Medicare, SNAP (Food Stamps). Most
of the residents served at The Glades Initiative (95%) face barriers receiving
services because of limited English language skills, low literacy levels and
lack of access to computers and internet. We also provided hundreds of residents
with enrollment assistance for Health Care District programs and Kid Care. With

the pandemic pushing people to virtual services online, our clients, who were already facing challenges to complete applications, were faced with even more challenges since they are not digitally connected. More than 2,554 other services and referrals were provided for translation, interpretation, Emergency Utility payment applications & PBC Human Services. Our clients this year received well over \$1.5 million of SNAP (Food Stamps) dollars, which totals almost \$2.76 million in Gross Domestic Product (GDP). The USDA calculates that each SNAP dollar generates GDP @ \$1.84. With health coverage and hundreds of visits to the doctor covered by Medicaid, Palm Beach County Health Care District or Kid Care health insurance applications processed by our bilingual staff at The Glades Initiative, we have assisted out clients in accessing services valuing over \$9 million. The Glades Initiative staff participated in over 55 outreaches to more than 5,765 of our most vulnerable residents to provide them with information about local services.

Food Security: Our strategies involve numerous community partners working collectively to address food security issues in the Glades and develop and implement solutions to these issues. The Glades Area Food Bank: Our Glades Area Food Bank is targeted to serve Glades food insecure families. This past year, The Glades Area Food Bank served 11 partner agencies. The 9 food pantries served fed 148,759 extended family members (duplicated) with 35,026 food bags to Glades area households. In addition, our one hot meal partner served 41,947 meals (total 76,973 food services). We distributed food valued at \$1,286,185. The Food Pantry at The Glades Initiative: 52,951 food insecure residents (dup) benefitted from our Food Pantry's week distribution this past year. The pandemic dramatically increased the need in our community. We distributed 707,626 pounds of food this past year to 16,190 households (dup). We served an average of 330 households each week, and distributed an average of 13,608 lbs. of food weekly. Economic Stability Program: This program supports 79 residents who want to work and increase their household income. We

Senior Support Program: Caring for 25 of our vulnerable seniors, who have limited family support and need some attention and healthy food delivered weekly to their

homes, aging in place with dignity. An additional 27 seniors also received

home delivered groceries each week. Nutrition Education Classes- Cooking Matters :

Our Nutrition Education program is a 6-week nutrition class targeted to low-income

residents that teaches kids, teens and families how to prepare healthy meals

on a budget. It builds residents' skills in food affordable shopping, increasing

healthy food choices and preparing healthy meals. COVID-19 limited our trainings

this year, we had 13 participants in one 6-session class that was held at Covenant

Villas. A total of 409 participants have graduated from the class since it was

first started in 2014. Medical Interpreter Training: With the ultimate goal of

reducing the barriers of language and culture for health and human services staff

providing services to residents with Limited English Proficiency (LEP), we offer

a 40-hour Medical Interpreter Training. This year, we had 12 graduates complete

the five-day training. Over the last seven years, this program has graduated

181 participants. Glades Communications: The Glades Initiative serves as a point

of communication for health and human service providers and community residents.

One of our most popular communication tools with over 2,325 subscribers is our

weekly email newsletter, "The Glades Community Updates," a compilation of available

services, meetings, events and information going on throughout the community.
