Independent Auditors' Report

To the Board of Directors
YWCA of Palm Beach County, Inc.
West Palm Beach, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of YWCA of Palm Beach County, Inc. (a nonprofit organization) (the "Association"), which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of YWCA of Palm Beach County, Inc. as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

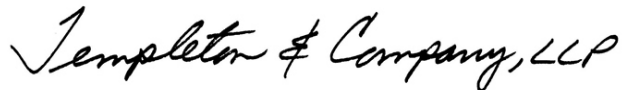

Other Matters

Supplementary Information

Our audit of the 2021 financial statements was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 25, 2022, on our consideration of YWCA of Palm Beach County, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Association's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering YWCA of Palm Beach County, Inc.'s internal control over financial reporting and on compliance.

YWCA OF PALM BEACH COUNTY, INC.

NOTES TO FINANCIAL STATEMENTS

Note 1 – Association and Nature of Operations

YWCA of Palm Beach County, Inc. (the Association) is a not-for-profit corporation organized under the laws of the State of Florida in March 1971 exclusively for charitable, benevolent, education and religious purposes, and to create women's growth, leadership and power in order to attain a common vision for peace, justice, freedom and dignity for all people. The YWCA of Palm Beach County, Inc. is a member of the YWCA USA, Inc., a world-wide not-for-profit Association.

The Association's operations include supportive housing and counseling for abused women and children, childcare for economically disadvantaged children and various health, education and recreational programs. The Association receives grants and contributions from government agencies, individuals, foundations and other charitable associations.

Note 2 – Summary of Significant Accounting Policies

Basis of presentation

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Net assets

The financial statements report net assets and changes in net assets in two classes that are based upon the existence or absence of restrictions on use that are placed by its donors, as follows:

Net assets without donor restrictions - Net assets without donor restrictions are resources available to support operations. The only limits on the use of these net assets are the broad limits resulting from the nature of the Association, the environment in which it operates, the purpose specified in the corporate documents and its application for tax-exempt status, and any limits resulting from contractual arrangements with creditors or others that are entered into in the course of operations.

Net assets with donor restrictions - Net assets with donor restrictions are resources that are restricted by a donor for use for a particular purpose or in a particular future period. Some donor-imposed restrictions are temporary in nature, and the restriction will expire when the resources are used in accordance with the donor's instructions or when the stipulated time has passed. Other donor-imposed restrictions are perpetual in nature; the Association must continue to use the resources in accordance with the donor's instructions. The Association's unspent contributions are included in this class if the donor limited their use, as are its donor-imposed endowment funds.

When a donor's restriction is satisfied either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period and the reported amounts of assets and liabilities at the date of the financial statements. On an ongoing basis, the Association's management evaluates the estimates and assumptions based upon historical experience and various other factors and circumstances. The Association's management believes that the estimates and assumptions are reasonable in the circumstances; however, the actual results could differ from those estimates.

YWCA OF PALM BEACH COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Classification of transactions

All revenues and net gains are reported as increases in net assets without donor restrictions in the statements of activities unless the donor specified the use of the related resources for a particular purpose or in a future period. All expenses and net losses, other than losses on endowment investments, are reported as decreases in net assets without donor restrictions. Net gains on endowment investments increase net assets with donor restrictions, and net losses on endowment investments reduce that net asset class.

Cash and cash equivalents

The Association considers all liquid investments having initial maturities of three months or less to be cash equivalents. The Association maintains cash balances at financial institutions which occasionally exceed federally insured amounts. The Association also maintains cash in a brokerage account that is not covered by FDIC insurance.

Grants and program service fees

The Association receives various grants from federal, state and local agencies to carry out various programs and services. These grants are on a cost reimbursement basis or fee for service, including recoverable overhead as specified in the various grant agreements. Revenue from grants is deemed earned and recognized in the statement of activities when expenditures are made for the purpose specified for allowed costs. Grant activities and outlays are subject to audit and acceptance by the granting agency and, as such, audit adjustments could be required. Grant funds, if received in advance but which have not been expended for the purpose specified, are reported as deferred revenue until expended.

Program service fees are recognized as revenue in the period in which the related services are provided. Fees collected prior to the commencement of the program are recognized as deferred revenue.

Special events revenue is recognized as revenue at the time of the event. Tickets sold prior to the event are reported as deferred revenue.

Grants and program receivables and allowance for doubtful accounts

The Association records program services and membership receivables when services are provided. Management periodically reviews the grants and program services receivable balances and provides an allowance for accounts which may be uncollectible. At June 30, 2021 and 2020, management considers all of the receivables to be collectible within the current accounting period and an allowance for doubtful accounts has not been recorded. Bad debt expense totaled \$8,498 and \$11,599 for the years ended June 30, 2021 and 2020, respectively.

Investments

The Association measures its investments at fair value in the statements of financial position, and changes in fair value are reported as part of net investment return in the statements of activities. Purchases and sales of securities are reflected on a trade-date basis. Gains and losses on sales of investments are based on average cost and are recorded in the statements of activities in the period in which the investments are sold. Interest is recorded when earned. Dividends are accrued as of the ex-dividend date.

The Association's investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with such investments and the uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in the near-term would affect investment balances and the amounts reported in the financial statements.

YWCA OF PALM BEACH COUNTY, INC.

Note 2 – Summary of Significant Accounting Policies, Continued

Contributions

Contributions received, including unconditional promises, are recognized as support in the period received. Conditional contributions and pledges are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods, or restricted by the donor for specific purposes, are reported as support with donor restrictions. However, if a time-related restriction is fulfilled in its entirety, in the time period in which the contribution is received, the Association reports the support as without donor restrictions.

When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

The Association reports non-cash contributions as net assets without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Contributions of long-lived assets with explicit restrictions that specify how the assets are to be used and contributions of cash or other assets that must be used to acquire long-lived assets are reported as contributions with donor restrictions. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Association reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discount rate applied to those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the present value discount is included in contribution revenue. Conditional promises to give are not included as support until the conditions are met.

The Association received a conditional pledge from a private foundation during 2019. This conditional pledge includes stipulations which include a right of return for any funds not expended for the purposes specified to support administrative and programmatic initiatives. Total uncollected conditional pledges totaled \$945,000 and \$1,588,500 as of June 30, 2021 and 2020, respectively.

Contributed services

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Association. Many individuals volunteer their time and perform a variety of tasks that assist the Association with specific assistance programs, campaign solicitations, and various committee assignments, but such services are not recorded because there is no objective basis available to measure the value of such services.

Income taxes

The Association is a tax-exempt, not-for-profit corporation under Internal Revenue Code (IRC) Section 501(c)(3). Accordingly, no provision for federal income taxes has been made in the accompanying financial statements. The Association files tax returns in the U.S. federal jurisdiction and is no longer subject to U.S. federal tax examinations for years before 2018.

The Association has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. The Association has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements.

YWCA OF PALM BEACH COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Functional allocation of expenses

The costs of providing the various program services the Association offers are summarized on a functional basis in the accompanying statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Expenses that can be identified with a specific program or support service are charged directly to that program or support service. Costs common to multiple functions have been allocated among the various functions benefited using a reasonable allocation method that is consistently applied.

General and administrative expenses include those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of the Association.

Fundraising costs are expensed as incurred, even though they may result in contributions received for future years. The Association generally does not conduct its fundraising activities in conjunction with other activities. In the few cases in which it does, such as when the annual report or donor acknowledgements contain requests for contributions, joint costs have been allocated between fundraising and general and administrative expenses in accordance with standards for accounting for costs of activities that include fundraising. Additionally, advertising costs are expensed as incurred.

Property and equipment

Property and equipment are stated at cost or, if donated, at fair value at the date of donation. Depreciation is computed on a straight-line basis over the estimated useful lives of the depreciable assets:

Furniture, fixtures, and equipment	5-15 years
Building and improvements	7-27 years
Vehicles	5-7 years
Land improvements	7-27 years
Leasehold improvements	Term of lease

It is the Association's policy to capitalize property and equipment over \$500 with a useful life greater than one year.

Donations of property and equipment are reported as support without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as support with donor restrictions. Without donor stipulations regarding how long these donated assets must be maintained, the Association reports expirations of donor restrictions when the donated assets are placed in service, reclassifying net assets with donor restrictions to net assets without donor restrictions at that time. The Association received donated property and equipment in the amount of \$284,320 during the year ended June 30, 2021. The Association did not receive any donated property and equipment during the year ended June 30, 2020.

Concentrations of credit risk

Financial instruments which potentially subject the Association to concentrations of credit risk consist of cash and receivables. The Association's cash balances on deposit with banks are guaranteed up to certain limits by the Federal Deposit Insurance Corporation (FDIC). The Association is exposed to risk for the amount of funds held in any one account in excess of the insurance limit. The Association has not experienced any losses in such accounts.

YWCA OF PALM BEACH COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Beneficial interest in assets held by community foundation

In June 2017, the Association transferred assets totaling \$25,000 to the Community Foundation for Palm Beach and Martin Counties (the “Foundation”) which is holding them as an endowed component fund for the benefit of the Association. The contribution was matched through the Forever Nonprofit Endowment Challenge with another \$25,000 from the Foundation bringing the Association’s fund total to \$50,000 (the Fund). The Association has granted the Foundation variance power which gives the Foundation’s Board of Trustees the power to use the Fund for other purposes in certain circumstances. The Fund is subject to the Foundation’s investment and operating policies.

New accounting pronouncements

In February 2016, the FASB issued ASU 2016-02, *Leases, (Topic 842)*, which is intended to increase transparency and comparability of accounting for lease transactions. The ASU will require all leases to be recognized in the statement of financial position as lease assets and lease liabilities and will require both quantitative and qualitative disclosures regarding key information about leasing arrangements. Lessor accounting is largely unchanged. In June 2020, the FASB issued ASU 2020-05 which extended the effective dates of ASU 2016-02 for one year for certain entities. The amendments of ASU 2016-02 are now effective for annual reporting periods beginning after December 15, 2021, and interim periods within fiscal years beginning after December 15, 2022. The Association is currently evaluating the effects the ASU will have on its financial statements.

Note 3 – Liquidity and Availability

Financial assets available for general expenditures, that is, without donor or other restrictions limiting their use, within one year of June 30, 2021 and 2020 are:

	<u>2021</u>	<u>2020</u>
Financial assets:		
Cash and cash equivalents	\$ 174,488	\$ 369,221
Receivables, net	656,991	373,524
Investments	<u>1,146,006</u>	<u>1,127,135</u>
Total financial assets	1,977,485	1,869,880
Less financial assets held to meet donor-imposed restrictions:		
Purpose-restricted net assets (Note 8)	<u>(817,862)</u>	<u>(838,642)</u>
Amount available for general expenditures within one year	<u>\$ 1,159,623</u>	<u>\$ 1,031,238</u>

The above table reflects donor-restricted funds as unavailable because it is the Association's intention to invest those resources for the long-term support of the Association’s programs. However, in the case of need, the Board of Directors could appropriate resources from the donor-restricted funds available for general use.

As part of the Association’s liquidity management plan, the Association invests cash in excess of daily requirements in short-term investments. The Association maintains a revolving line of credit of \$135,000 to cover short-term cash needs (Note 13).

YWCA OF PALM BEACH COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 4 – Investments

A summary of investments, by investment type, at June 30, 2021 and 2020 follows:

	2021	2020
Money market funds	\$ 15,050	\$ 723,068
Closed end funds and exchange traded funds	139,119	113,363
Common stocks	150,943	114,580
Mutual funds	817,862	170,360
Community Foundation endowment	23,032	5,764
Total investments	\$ 1,146,006	\$ 1,127,135

For the years ended June 30, 2021 and 2020, net investment return consists of the following:

	2021	2020
Dividend income	\$ 8,591	\$ 16,525
Realized and unrealized gains, net	113,398	3,300
Total net investment return	\$ 121,989	\$ 19,825

Note 5 – Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset in the principal or most advantageous market for the asset in an orderly transaction between market participants on the measurement date. Fair value should be based on the assumptions market participants would use when pricing an asset. U.S. GAAP establishes a fair value hierarchy that prioritizes investments based on those assumptions. The fair value hierarchy gives the highest priority to quoted prices in active markets (observable inputs) and the lowest priority to an entity's assumptions (unobservable inputs). The Association groups assets at fair value in three levels, based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value.

These levels are:

- Level 1 Unadjusted quoted market prices for identical assets or liabilities in active markets as of the measurement date.
- Level 2 Observable inputs other than level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices from non-active markets, or other inputs that are observable or can be corroborated by observable market data.
- Level 3 Unobservable inputs that cannot be corroborated by observable market data.

The Association's investments are reported at fair value. Fair value is determined by the following methods:

Money market funds – valued using net asset value (NAV) \$1.

Closed-end and exchange traded funds – valued using daily closing prices as reported on the active market on which the individual exchange traded funds are traded (Level 1 inputs).

Mutual funds – valued at the daily closing price as reported by the mutual fund. Mutual funds held by the Association are open ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The index funds held by the Association are deemed to be actively traded (Level 1 inputs).

Common stocks – valued using quoted market prices on national exchanges.

YWCA OF PALM BEACH COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 5 – Fair Value Measurements, Continued

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest input that is significant to the fair value measurement in its entirety. The inputs or methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

The Association's investments are classified as Level 1 assets, measured on a recurring basis for all periods presented.

Note 6 – Property and Equipment

Property and equipment consists of the following at June 30, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Furniture, fixtures, and equipment	\$ 1,179,755	\$ 870,260
Building and improvements	1,352,902	1,334,750
Vehicles	188,262	188,262
Land improvements	242,072	191,132
Leasehold improvements	<u>62,884</u>	<u>62,884</u>
	3,025,875	2,647,288
Less: accumulated depreciation	<u>1,914,349</u>	<u>1,799,650</u>
Operating property and equipment, net	1,111,526	847,638
Land	103,000	103,000
Construction in progress	<u>5,825</u>	<u>9,075</u>
Property and equipment, net	<u>\$ 1,220,351</u>	<u>\$ 959,713</u>

Depreciation totaled \$114,699 and \$113,359 for the years ended June 30, 2021 and 2020, respectively.

The Association, as a condition of certain grants, has no authority over the disposition of certain assets and must receive permission from the grantor prior to selling or disposing of any assets paid for with certain federal, state and local funding.

Construction in progress consists of building improvements at June 30, 2021 and 2020.

Note 7 – Lease Commitments

The Association leases space for its administrative office at \$6,570 per month and its storage space at \$450 per month, on a month-to-month basis.

Office equipment lease expense for both years ended June 30, 2021 and 2020 totaled \$14,037. Future minimum lease payments under all operating leases as of June 30, 2021 were as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2022	\$ 14,037
2023	13,092
2024	<u>7,693</u>
	<u>\$ 34,822</u>

YWCA OF PALM BEACH COUNTY, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 8 – Net Assets with Donor Restrictions and Endowment

Net assets with donor restrictions as of June 30, 2021 and 2020 are available for the following time and purpose restrictions:

	<u>2021</u>	<u>2020</u>
Purpose restricted:		
Y-Girls and Youth Programs	\$ 157,691	\$ 127,057
Child Development Centers	36,279	106,245
Harmony House and Rapid Re-housing	36,796	84,697
Women’s Health Institute	105,587	97,693
Racial Justice	43,297	37,700
Administration	<u>388,212</u>	<u>335,250</u>
Total purpose-restricted net assets	767,862	788,642
Time restricted:		
Perpetual endowment	<u>50,000</u>	<u>50,000</u>
Total time and purpose-restricted net assets	<u>\$ 817,862</u>	<u>\$ 838,642</u>

Net assets with donor restrictions include fund assets to be held indefinitely. The support, revenue, and expenses associated with the Harmony House and Rapid Re-housing restrictions are included with the Harmony House program in the statements of activities for the years ended June 30, 2021 and 2020. The Association's endowment was established in June 2017 and consists of a fund held by the Community Foundation for Palm Beach and Martin Counties, Inc., a not-for-profit Florida corporation and community foundation. As required by U.S. GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. The income from the endowment’s net assets can be used to support the Association's general activities.

Note 9 – Net Assets Released from Restrictions

Net assets are released from donor restrictions by incurring expenses, satisfying the restricted purposes or, by the occurrence of events as specified by donors.

Net assets were released during the years ended June 30, 2021 and 2020 as follows:

	<u>2021</u>	<u>2020</u>
Time and purpose:		
United Way allocations	\$ -	\$ 58,361
Child Development Centers	122,467	136,425
Harmony House & Rapid Re-housing	210,401	285,658
Racial Justice	34,403	52,371
Women’s Health Institute	52,106	50,843
Administration	225,537	124,425
Y-Girls & Youth Programs	<u>19,366</u>	<u>13,451</u>
Total	<u>\$ 664,280</u>	<u>\$ 721,534</u>

YWCA OF PALM BEACH COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 10 – Concentrations

The Association receives a substantial amount of its support from government and other grants, hence, these grants require documentation to be maintained and fulfillment of certain conditions. Failure to fulfill the conditions set forth in the grant documents could result in the loss of funds from these grantors. A significant reduction in the level of this support, if this were to occur, may have a significant effect on the Association's services and activities. For the years ended June 30, 2021 and 2020, total grant revenue represented approximately 51% and 57%, respectively, of support and revenue.

Program expenditures made by the Association are subject to additional audit and approval by grantor agencies. As a result of such audits, the grantor may require that amounts be returned. In certain instances, the grantor may increase its grant of funds to the Association to offset amounts which would otherwise be refundable based on audits.

Note 11 – Payments to Affiliated Association

The Association is an affiliate of The YWCA USA, Inc. (the National Association). Affiliates are required to remit a percentage of specified revenues and support to the National Association. For the years ended June 30, 2021 and 2020, \$20,623 and \$20,556 was paid to the National Association, respectively.

Note 12 – Retirement Plan

The Association provides retirement benefits for eligible employees as a participating employer-sponsor of the YWCA Retirement Fund, Inc. (the Retirement Fund). The Retirement Fund was established as a complete, separate, and independent entity and is an employer-sponsored cash balance defined benefit plan qualified under Section 401(a) of the IRC. As of June 30, 2021 and 2020, the Association's Board of Directors elected to contribute \$49,936 and \$51,163, respectively, to the Retirement Fund. In addition, the Retirement Fund provided an additional contribution equal to 2% of the eligible employee's compensation.

The actuarial present value of the benefit obligation and fair value of the plan assets are not available separately for each employer that participates in the Plan.

Note 13 – Line of Credit

The Association has a \$135,000 revolving line of credit with a financial institution which bears interest at the Wall Street Prime rate plus 1.50% (4.75% at June 30, 2021) and expires on April 20, 2023. The line of credit is secured by all tangible personal property of the Association. As of June 30, 2021 and 2020, the Association had no outstanding borrowings on the line of credit.

Note 14 – Conditional Contribution

Payroll Protection Program loan

On May 8, 2020, the Association received loan proceeds in the amount of \$353,700 under the Paycheck Protection Program (PPP) Loan from an unrelated third-party lender. The PPP Loan, established as part of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), was designed to be a direct incentive for qualifying employers to keep their workers on payroll due to the COVID-19 pandemic and its far reaching economic disruption. The PPP Loan included a forgiveness provision whereby the U.S. Small Business Association (SBA) may forgive the loan if eligible expenses are incurred over the period specified in the SBA and U.S. Treasury's PPP guidance.

YWCA OF PALM BEACH COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 14 – Conditional Contribution, Continued

Payroll Protection Program loan, continued

The PPP Loan, which was in the form of a promissory note (the Note), matured two years from the date of funding (May 8, 2022) and bore interest at a rate of 1.00% per annum, payable monthly commencing approximately seven months from the PPP Loan issuance date of May 8, 2020. The PPP Loan was uncollateralized. After the expiration of the covered period, the Association applied for loan forgiveness from the lender and the SBA upon satisfying the requirements for PPP Loan forgiveness.

Subsequent to June 30, 2021, the Association was notified by the lender that it satisfied the forgiveness requirements and received full loan forgiveness from the third-party lender and the SBA. Accordingly, the Association recorded the PPP Loan forgiveness as a conditional contribution in the statement of activities for the year ended June 30, 2021, as it believes it substantially met the conditions for forgiveness prior to June 30, 2021.

Note 15 – Significant Uncertainty – COVID-19

The World Health Organization declared a global pandemic related to the rapidly growing outbreak of a novel strain of coronavirus in the first quarter of 2020. The COVID-19 pandemic has disrupted business activities and significantly affected global economic conditions as federal, state and local government imposed mitigation measures to address the public health crisis, resulting in workforce, supply chain and other market disruptions that have created significant uncertainties in the national and global economies. Restrictions have been enacted, lifted, and reenacted during 2020, 2021 and into 2022, and the possibility of future restrictions remains.

Management continues to evaluate the effects of the COVID-19 pandemic, considering the facts and circumstances related to the impact of the virus on the Association. Any resulting financial impact cannot be reasonably estimated at this time but could be anticipated to have an impact on the Association's financial position and results of operations for fiscal year 2022.

Note 16 – Subsequent Events

Management evaluated activity of the Association subsequent to June 30, 2021 through April 25, 2022, the date the financial statements were available to be issued, for events that require recognition in the financial statements or disclosure in the footnotes thereto.

See accompanying notes to schedule of expenditures of federal awards and state financial assistance.

YWCA OF PALM BEACH COUNTY, INC.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AND STATE FINANCIAL ASSISTANCE

Note 1 – Basis of Presentation

The purpose of the accompanying schedule of expenditures of federal awards and state financial assistance (the Schedule) is to present, in summary form, total federal award and state financial assistance expenditures of YWCA of Palm Beach County, Inc. (the Association) for the year ended June 30, 2021. The Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Association, it is not intended to, and does not, present the financial position, changes in net assets or cash flows of the Association. Therefore, certain amounts presented in this Schedule may differ from amounts presented in the basic financial statements.

Note 2 – Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

The Association has not elected to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Note 3 – Contingency

Amounts received or receivable from grantor agencies are subject to audit and adjustment by those agencies. Any disallowed claims, including amounts already received, might constitute a liability of the Association for the return of those funds. In the opinion of management, all grant expenditures were in compliance with the terms of the grant agreements and applicable federal and state laws and regulations.

Note 4 – Loan and Loan Guarantee Programs

There were no balances of loan or loan guarantee programs as of June 30, 2021.

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Directors
YWCA of Palm Beach County, Inc.
West Palm Beach, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of YWCA of Palm Beach County, Inc. (a nonprofit organization) (the "Association"), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 25, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Association's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Association's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Association's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Association's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for Each Major Program and on Internal Control over Compliance as Required by the Uniform Guidance

To the Board of Directors
YWCA of Palm Beach County, Inc.
West Palm Beach, Florida

Report on Compliance for Each Major Federal Program

We have audited YWCA of Palm Beach County, Inc.'s (a nonprofit organization) (the "Association") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the YWCA of Palm Beach County, Inc.'s major federal programs for the year ended June 30, 2021. The YWCA of Palm Beach County, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the YWCA of Palm Beach County, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about YWCA of Palm Beach County Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of YWCA of Palm Beach County, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, YWCA of Palm Beach County, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control Over Compliance

Management of the Association is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Association's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
