Report of Independent Auditors

To the Board of Directors of
Young Men's Christian Association
of the Palm Beaches, Inc.

Opinion

We have audited the accompanying financial statements of Young Men's Christian Association of the Palm Beaches, Inc. (a nonprofit organization) which comprise the statements of financial position as of December 31, 2021 and 2020 and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Young Men's Christian Association of the Palm Beaches, Inc. as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Young Men's Christian Association of the Palm Beaches, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Young Men's Christian Association of the Palm Beaches, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Young Men's Christian Association of the Palm Beaches, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Young Men's Christian Association of the Palm Beaches, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Note 2 – Summary of Significant Accounting Policies

Basis of presentation

The financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Net assets

The financial statements report net assets and changes in net assets in two classes that are based upon the existence or absence of restrictions on use that are placed by its donors, as follows:

Net assets without donor restrictions

Net assets not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the YMCA. The net assets may be used at the discretion of the YMCA's management and Board of Directors.

YOUNG MEN'S CHRISTIAN ASSOCIATION OF THE PALM BEACHES, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Net assets, continued

Net assets with donor restrictions

Net assets with donor restrictions are resources that are restricted by a donor for use for a particular purpose or in a particular future period. Some donor-imposed restrictions are temporary in nature, and the restriction will expire when the resources are used in accordance with the donor's instructions or when the stipulated time period has passed. Other donor-imposed restrictions are perpetual in nature; the Organization must continue to use the resources in accordance with the donor's instructions.

The Organization's unspent contributions are included in this class if the donor limited their use.

When a donor's restriction is satisfied either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by releasing the net assets from net assets with donor restrictions to net assets without donor restrictions.

Net assets restricted for acquisition of property or equipment (or less commonly, the contribution of those assets directly) are reported as net assets with donor restrictions until the specified assets are placed in service by the Organization, unless the donor provided more specific directions about the period of its use.

Measure of operations

The statements of activities report all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to the YMCA's ongoing programs and interest and dividends earned on investments. Non-operating activities are limited to other activities considered to be of a more unusual or infrequent nature.

Support and revenue recognition

The Organization recognizes revenue from grants and contracts in accordance with Accounting Standards Update (ASU) 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. In accordance with ASU 2018-08, the Organization evaluates whether a transfer of assets is (1) an exchange transaction in which the resource provider is receiving commensurate value in return for the resources transferred, (2) a contribution. If the transfer of assets is determined to be an exchange transaction, the Organization applies the guidance under ASC 606.

If the transfer of assets is determined to be a contribution, the Organization evaluates whether the contribution is conditional based upon whether the agreement includes both (1) one or more barriers that must be overcome before the Organization is entitled to the assets transferred and promised and (2) a right of return of assets transferred or a right of release of a promisor's obligation to transfer assets.

Revenue from grants and contracts is recognized when earned, that is, generally as the related costs are incurred under the terms of the grant or contract agreements. Amounts expended in advance of reimbursements, if any, are reported as government grants receivable.

Contributions, including unconditional promises (pledges) to give, are recognized as revenue in the period the contribution or promise is received or made. All contributions are available for unrestricted use unless specifically restricted by the donor.

YOUNG MEN'S CHRISTIAN ASSOCIATION OF THE PALM BEACHES, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Support and revenue recognition, continued

Revenue is recognized when earned and support when contributions are made, which may be when cash is received, unconditional promises are received, or ownership of other assets is transferred to the Organization. Bequests are recorded as support at the time the Organization has an established right to the bequest and proceeds are measurable.

Performance obligations are determined based on the nature of the services provided by the Organization. Revenue for performance obligations satisfied at a point in time is generally recognized when services are provided and the Organization does not believe it is required to provide additional goods or service related to those services.

Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated amounts. When a stipulated time restriction ends or purpose restriction is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as reclassifications.

The Organization reports donations of property and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Absent explicit donor stipulations about how long those long-lived assets must be maintained; the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Donated goods include contributions of noncash items. Donated services are reported as contributions if the services (a) create or enhance non-financial assets, or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. The estimated amount of donated services rendered to the YMCA for the years ended December 31, 2021 and 2020 was \$59,254 and \$120,471, respectively, which is reported as contribution revenue and as management and general expenses in the statements of activities.

Many individuals volunteer their time and perform a variety of tasks that assist the YMCA with specific assistance programs, campaign solicitations, and various committee assignments, but such services are not recorded, because there is no objective basis available to measure the value of such services.

Cash and cash equivalents

Cash and cash equivalents are defined as short-term, highly-liquid investments that are both readily convertible to cash and having original maturities of three months or less. They include petty cash and checking accounts. The Organization maintains its cash and cash equivalents in bank accounts, which may exceed federally insured limits. The Organization has not experienced any losses on such accounts and management believes it is not exposed to any significant credit risk on cash and cash equivalents. As of December 31, 2021 and 2020, the Organization had accounts exceeding federally insured limits of approximately \$1,762,000 and \$1,304,000, respectively, including certificates of deposit.

Certificates of deposit

Certificates of deposit are reported at fair value and have original maturities of less than 12 months. The carrying value of certificates of deposit approximates fair value.

Accounts receivable

Accounts receivable are stated at unpaid balances, less an allowance for doubtful accounts when considered necessary. Management did not consider an allowance necessary at December 31, 2021 and 2020.

Promises to give

Unconditional promises to give are recognized as support in the period received and as assets, decreases of liabilities or expenses depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

Donated property and equipment

Donations of property and equipment are reported as contributions at fair value at the date of donation. Such donations are reported as increases in net assets without donor restrictions unless the donor has restricted the donated assets to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions.

Absent donor stipulations regarding how long those donated assets must be maintained, the YMCA reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The YMCA reclassifies net assets with donor restrictions to net assets without donor restrictions at that time. There were no donations of property and equipment during the years ended December 31, 2021 and 2020.

Property and equipment

Property and equipment is stated at cost and is depreciated using the straight-line method over periods of 3 to 40 years. Additions and betterments which have an economic useful life that extends beyond 12 months and a cost of \$5,000 or more are capitalized.

Impairment of long-lived assets

The carrying value of the YMCA's long-lived assets is reviewed to determine if facts or circumstances suggest that the assets may be impaired or that the remaining useful, depreciable life may need to be changed. The YMCA considers internal and external factors related to each asset, including future asset utilization and business climate. If these factors and the projected undiscounted cash flows of the asset over the remaining life indicate that the asset will not be recoverable, the carrying value will be adjusted down to the estimated fair value, if less than book value.

Fair value of financial instruments

Cash and cash equivalents, certificates of deposit, accounts receivable, accounts payable, and accrued expenses are reflected in the financial statements at fair value because of the short-term maturity of these instruments.

Special events, net of direct expenses

The YMCA conducts special events for the purpose of raising money for annual operations. Special events are recorded when the event takes place. The YMCA had revenues of \$309,457 less related direct expenses of \$71,601 for the year ended December 31, 2021 and special events revenues of \$197,679 less related direct expenses of \$62,692 for the year ended December 31, 2020.

Advertising

The YMCA generally uses print and online forms of advertising to promote its programs and community outreach events. Advertising costs are expensed as incurred. Advertising related expenses were \$22,480 and \$22,310 for the years ended December 31, 2021 and 2020, respectively, and are included in advertising and printing in the accompanying statements of functional expenses.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income taxes

YMCA is a tax-exempt, not-for-profit corporation under Internal Revenue Code (IRC) Section 501(c)(3). Accordingly, no provision for income taxes has been made in the accompanying financial statements. YMCA files tax returns in the U.S. federal jurisdiction and is no longer subject to U.S. federal tax examinations for years before 2018.

Functional allocation of expenses

The costs of providing the services YMCA offers are summarized on a functional basis in the accompanying statements of activities and statements of functional expenses. Expenses that can be identified with a specific program or supporting service are charged directly to that program or supporting service. Costs common to multiple functions have been allocated among the various functions benefited using a reasonable allocation method that is consistently applied.

- Occupancy costs (depreciation, insurance, maintenance and repairs, and utilities) are allocated on a basis of the total costs for each program or supporting activity occupying each building space.
- Telephone, postage, supplies, equipment rental, and other expenses that cannot be directly identified are allocated on a basis of the total costs for each program or supporting activity.

Annually, or more often when new programs are added, the bases on which costs are allocated are evaluated.

Management and general expenses include those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of YMCA.

Fundraising costs are expensed as incurred, even though they may result in contributions received in future years. YMCA generally does not conduct its fundraising activities in conjunction with its other activities. In the few cases in which it does, such as when the annual report or donor acknowledgements contain requests for contributions, joint costs have been allocated between fundraising and management and general expenses in accordance with standards for accounting for costs of activities that include fundraising. Additionally, advertising costs are expensed as incurred.

New accounting pronouncement

In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*, which is intended to increase transparency and comparability of accounting for lease transactions. The ASU will require all leases to be recognized on the balance sheet as lease assets and lease liabilities and will require both quantitative and qualitative disclosures regarding key information about leasing arrangements. Lessor accounting is largely unchanged. In June 2020, the FASB issued ASU 2020-05, which deferred the effective date for one year. Therefore, the guidance is effective beginning January 1, 2022, with early application permitted. The Organization is currently evaluating the effects the update will have on its financial statements.

The YMCA's facilities at Congress Avenue in West Palm Beach, Florida have been pledged as collateral. Note 6 – Long Term Debt

Mortgage Note Payable

In April 2014, the YMCA entered into a construction loan agreement for a total not to exceed \$890,000. During the construction period, payments of interest only were payable monthly. The permanent term was to commence November 1, 2014 for a period of 10-years until November 1, 2024. During the first 5-years of the permanent loan, the interest rate remained at 4.75% per annum. Commencing on December 1, 2014, monthly payments at the applicable rate plus principal payments based on a twenty-five year amortization schedule, payable monthly, are due in arrears on the first day of each month, until the maturity date, at which time all outstanding principal, and accrued interest shall be due and payable. On November 1, 2019, the interest rate was adjusted to a rate equal to the "Prime Rate," as defined, plus 1.25%. The interest rate under the mortgage note has a floor of 4.75%. At December 31, 2021, the interest rate was 4.75%.

The YMCA's facilities at Congress Avenue in West Palm Beach, Florida have been pledged as collateral. In addition, all rents, leases, revenues, profits and all proceeds from sale or disposition have been assigned as collateral.

Paycheck Protection Program Loan

During April 2020, the Organization applied and received a loan from an unrelated party lender pursuant to the Paycheck Protection Program (the PPP) under the Coronavirus Aid, Relief and Economic Security Act (the CARES Act), enacted March 27, 2020, in the principal amount of \$232,970.

Under the terms of the PPP loan, up to the entire amounts of principal and accrued interest may be forgiven to the extent the proceeds of the PPP loan are used for qualifying expenses as described in the CARES Act and applicable implementing guidance issued by the U.S. Small Business Administration (SBA) under the PPP.

During 2021, the SBA approved the Organization's application for full forgiveness of the PPP loan in the amount of \$232,970. The Organization recognized the gain on debt forgiveness in the accompanying statement of activities for the year ended December 31, 2021.

Note 11 – Leases

On January 12, 2021, YMCA signed a lease agreement with Palm Beach County, Florida (the County) to lease approximately five (5) acres of undeveloped land to relocate the existing YMCA Branch to the land within Lake Lytal Park. The initial lease term is for fifty (50) years with one fifty (50) year extension option. YMCA shall reimburse the County up to 50% of the cost of design and permitting of infrastructure improvements, not to exceed a predetermined amount. The County lease requires an annual base rental payment of \$10. The County lease requires YMCA to commence construction of new facilities in three phases within a ten year period. The County lease also requires YMCA to raise funding for the new facilities in the amount of \$7,500,000 by November 30, 2023, \$16,500,000 by November 30, 2026, and \$21,500,000 by November 30, 2030. Either party shall have the right to terminate the lease in the event the fundraising amounts are not met.

In May 2022, YMCA signed a lease agreement with the County to lease recreational facilities to conduct activities after the sale of its existing location (see Note 12). The lease is for a period of one year with the option to extend the lease for two additional one year periods under the same terms and conditions as the initial year. The lease requires monthly installments of \$5,628.

In June 2022, YMCA signed a lease agreement with an unrelated third-party to lease space to conduct activities after the sale of its existing location (see Note 12). The lease is for a period of three years and requires monthly installments of \$14,162. Lease payments will increase 3% annually.

Note 12 – Sale of Property

During 2019, the YMCA Board of Directors approved a contract to sell the YMCA of the Palm Beaches Edwin W. Brown branch property located in West Palm Beach, Florida and relocate the operations of YMCA to another location in Palm Beach County, Florida. In October 2020, the buyer terminated the Purchase and Sale of Real Property Agreement dated March 26, 2019 by notice to seller dated October 25, 2020 (the "Termination Notice"). As a result, a non-refundable deposit of \$100,000 was released to YMCA and included as other income in the statement of activities for the year ended December 31, 2020. Notwithstanding the Termination Notice, buyer and seller agreed to reinstate the agreement as modified by the terms of an agreement dated December 28, 2020.

In April 2022, YMCA sold the YMCA of the Palm Beaches Edwin W. Brown branch property for a sales price of \$10,000,000 in a cash transaction.
