## **INDEPENDENT AUDITOR'S REPORT**

Board of Directors and Executive Director  
Drug Abuse Foundation of Palm Beach County, Inc.  
Delray Beach, Florida

### ***Opinion***

We have audited the accompanying financial statements of Drug Abuse Foundation of Palm, Beach County, Inc. (the "Foundation") (a nonprofit organization), which comprise the statements of financial position as of June 30, 2025 and 2024, and the related statements of activities, functional expenses, and cash flows for the years ended June 30, 2025 and 2024 and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Drug Abuse Foundation of Palm, Beach County, Inc. as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years ended June 30, 2025 and 2024 in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Drug Abuse Foundation of Palm Beach County, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Drug Abuse Foundation of Palm Beach County, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists.

## ***Auditor's Responsibilities for the Audit of the Financial Statements (continued)***

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Drug Abuse Foundation of Palm Beach County, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Drug Abuse Foundation of Palm Beach County, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary schedules include (Schedule of Expenditures of Federal Awards and State Financial Assistance, Schedule of Revenues by Cost Center, Schedule of Expenses by Cost Center, and Schedule of Related Party Transaction Adjustments), as required by *Chapter 10.650 Comptroller General of the State of Florida*, are presented for purposes of additional analysis and are not a required part of the financial statements. In our opinion, the supplementary information mentioned herein is fairly stated, in all material respects, in relation to the financial statements as a whole.

Notes to Financial Statements

## **NOTE 1: NATURE OF THE ORGANIZATION**

Drug Abuse Foundation of Palm Beach County, Inc. (the “Foundation”) is a not-for-profit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Founded in 1968, the Foundation’s central mission is to encourage and support the process of recovery from chemical addiction, to promote drug free living and mental well-being. The Foundation pursues its mission through the operation of thirteen programs/services which are organized into five key focus areas and service groups, including The Prevention Service Group, The Intervention Service Group, The Crisis Stabilization Service Group, Medical and Psychiatric (Med/Psych) Services Group and The Treatment and Aftercare Service Group.

## **NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### Basis of Accounting

The accounting and reporting policies of the Foundation conform to accounting principles generally accepted in the United States of America and are in accordance with the Financial Accounting Standards Codification 958-205 *Not-for-Profit Entities Presentation of Financial Statements*. These financial statements are prepared on the accrual basis of accounting and report information regarding the Foundation’s financial position and activities according to two classes of net assets: with donor restrictions and without donor restrictions.

### Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### Cash and Cash Equivalents

For purposes of the statement of financial position and statement of cash flows, the Foundation considers demand deposits with banks, certificates of deposit, money market funds and highly liquid debt instruments purchased with initial maturities of three months or less from the purchase date to be cash equivalents.

### Investments

Investments are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in net assets without donor restrictions if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized. Short-term investments consist of debt securities with original maturities of twelve months or less. Long-term investments consist of debt securities with original maturities greater than twelve months

### Grant and Contract Receivable/Revenue

Revenue from grants and contracts is recognized when the allowable costs, as defined by the individual grants or contracts, are incurred and/or the unit of service has been performed. Grant and contracts receivable at year end represent units of service performed that were not reimbursed by the granting agency by year end. Any of the funding sources may, at its discretion, request reimbursement for expenses or the return of funds, or both, upon finding non-compliance by the Foundation with the terms of the grants and contracts.

*June 30, 2025 and 2024*

## **NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

### Client Fees Receivable

The Foundation requires payment before services are rendered and, therefore, did not have any client fees receivable for the years ended June 30, 2025 and 2024.

### Inventory

The Foundation purchases office supplies, janitorial supplies, medical testing kits, and medical supplies in bulk. The purchases are recorded in inventory at cost and charged to appropriate departments, at cost, when removed from the storeroom. At June 30, 2025 and 2024, total inventory was \$ 33,458 and \$ 32,811, respectively.

### Prepaid expenses

The Foundation prepays certain expenses and recognizes the expenses as the benefits are received. These prepaids expenses are reflected as current assets and will be recognized as expenses within the following year as the benefits are received.

### Property and Equipment

The Foundation capitalizes property and equipment in excess of \$5,000 with a useful life of one year or more, lesser amounts are expensed. Purchased property and equipment are capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use, and contributions of cash that must be used to acquire property and equipment, are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Foundation reports expirations of donor restrictions when the donated or acquired assets are placed in service. Property and equipment are depreciated using the straight-line method over estimated useful lives ranging from five to thirty-six years. Maintenance and repairs are charged to expense when incurred.

### Compensated Absences

The Foundation accrues for compensated absences after a six-month probationary period. An accrual is made for any unused time that carries over from year to year, based upon each employee's current pay rate and years of employment at the Foundation. Total accrued compensated absences at June 30, 2025 and 2024 were \$ 107,829 and \$ 105,837 , respectively and included related accrued payroll expenses.

### Debt Issuance Costs

Unamortized debt issuance costs of \$ 838 are presented on the balance sheet as a direct deduction from the carrying amount of the related debt liability. The original amount of debt issuance costs recognized in September 2014 was \$27,897. In 2020 the Foundation refinanced the loan and remaining unamortized debt issuance costs are being amortized as interest expense using the effective interest method over the term of the new loan (see Note 6 below). Amortization expense included in interest for the years ended June 30, 2025 and 2024 was \$573 and \$1,625, respectively.

## **NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

### Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operation and not subject to donor (or certain grantor) restrictions. Donor restricted contributions for which the donor restrictions are satisfied in the same reporting period are reported as net assets without donor restrictions.

*Net Assets With Donor Restrictions* – Net assets subject to donor – (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates those resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resources was restricted has been fulfilled, or both.

### Revenue Recognition (FABS ASC 605)

Contributions and grants received are recorded according to ASC 958-605: *Revenue Recognition*. Contributions and grants are recognized with donor restrictions or without donor restrictions depending on the existence or nature of any donor/grantor restrictions.

### Revenue from Contracts with Customers (FABS ASC 606)

Client fees and rental income are recorded according to ASC 605: *Revenues from Contracts with Customers* at the point in time the services are provided. Payments from clients are generally received at commencement of the services.

The Foundation recognizes contract revenue for financial reporting purposes at the point in time that services are provided. Revenue is recognized when persuasive evidence of an arrangement exists, delivery has occurred, the fee is fixed or determinable, and collectability is probable. Revenue generally is recognized net of allowances for returns and any taxes collected from customers and subsequently remitted to governmental authorities. Revenue recognition for multiple-element arrangements requires judgment to determine if multiple elements exist, whether elements can be accounted for as separate units of accounting, and if so, the fair value for each of the elements.

### Performance Obligations (FASB ASC 606)

Contracts with customers are mainly fixed-price agreements. The payment terms and conditions in customer contracts are the same for all clients. Each service appointment is considered a single performance obligation that is satisfied at the point in time where the Foundations provides the services. Payment typically is due at the time the services are provided.

## **NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

### **Significant Judgments (FASB ASC 606)**

The Foundation provides recovery from chemical addiction and promotes drug free living and mental well-being services in South Florida. The Foundation expects to be entitled to its revenues once the services are performed. The Foundation limits its estimate to an amount that will not result in a significant reversal of revenue when the uncertainty is resolved.

#### **Promises to Give**

Contributions are recognized when a donor makes promises to give to the Organization that are, in substance, unconditional.

Unconditional promises to give, that are expected to be collected within one year, are recorded at their net realizable value. Conditional promises to give are not included as support until the conditions are substantially met.

All contributions are available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted for future periods or are restricted by the donor for specific purposes are reported as net assets with donor restrictions.

When a donor restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the statement of activities as net assets released from restrictions.

#### **Donated Rent**

The Palm Beach County Sheriff's Office provides the Foundation donated office and classroom space within its Belle Glade, Florida, correctional facility which is valued at \$ 50,000 per year. Management has determined that this valuation is based upon the fair rental value of comparable space and facilities in privately-owned structures in the same area. This amount is reflected as public support in the Statement of Activities, denoted as in-kind contributions, and included in the total in-kind donations on the Statement of Functional Expenses.

#### **Cost Allocation**

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include compensation and benefits, which are allocated on the basis of estimates of time and effort, as well as depreciation and occupancy, which are allocated on a square footage basis.

## **NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

### Functional Expenses

The grant contracts with the Department of Children and Families, that pass through to the Southeast Florida Behavioral Health Network, have contractual reporting requirements under the State of Florida Administrative Code. The Foundation reports its functional expenses expanded by cost center to satisfy this requirement.

### Income Taxes

The Foundation is a not-for-profit corporation exempt from Federal income taxes under Internal Revenue Code Section 501(c)(3) and is classified as other than a private foundation. Therefore, no income taxes are required to be paid on activities related to its mission. The Foundation holds rental property from which it collects unrelated rental income. Income taxes are due on net rental income. For the years ended June 30, 2025 and 2024, the Foundation had no taxable income, and therefore no income tax expense.

### Uncertain Tax Positions

The Foundation's Forms 990, *Return of Organization Exempt from Income Tax*, for the years ending June 30, 2023, 2024, 2025 and are subject to examination by IRS, generally for three years after they were filed. None of the Foundation's returns for years prior to 2023 are currently under examination by the IRS. No provision has been recorded with respect to any uncertain tax positions based upon management's evaluation of positions adopted.

### Contributed Services

No amounts have been reflected in the financial statements for donated services. The Foundation generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Foundation at the residents' facilities, but these services do not meet the criteria for recognition as contributed services. The Foundation received no volunteer hours per year.

### Reclassifications

It is the Foundation's policy to reclassify, where appropriate, prior year financial statements to conform to the current year presentation.

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the organization's financial statements for the year ended June 30, 2024 of the prior year, from which the summarized information was derived.

## **NOTE 6: MORTGAGE PAYABLE**

In February 2020, the Foundation refinanced its existing mortgage with TD Bank. The amount borrowed under the promissory note was \$3,000,000, with a net cash payment to the Foundation in the amount of \$1,182,000 to allow the Foundation to access a portion of its real estate equity to address major delayed maintenance items. The note established a ten-year term at a rate of 4.25% with a twenty-five-year amortization schedule. A prepayment penalty exists that starts at 5% and gradually decreases to 1% as of September 29, 2022, and for the remainder of the loan. In connection with the refinancing, the Foundation granted security interests to TD Bank that generally collateralized all of the Foundation's real and personal property. Additionally, the Foundation assumed certain limited restrictions on its ability to sell, transfer, encumber, and engage in other transactions with respect to its real property.

The aggregate maturities of the promissory note subsequent to June 30, 2025, shown net of unamortized debt issuance costs, are as follows:

2026	\$	87,914
2027		91,725
2028		95,700
2029		99,847
2029 and Thereafter		<u>2,218,586</u>

## **NOTE 7: LINE OF CREDIT PAYABLE**

The Foundation has an available line of credit with TD Bank, N.A that allows for borrowings up to \$250,000. The aggregate principal balance outstanding shall bear interest at 0.5% below the Wall Street Journal Prime Rate. However, interest is limited to a floor of 3.25%. There was no outstanding balance on this line at June 30, 2025 or 2024, and no interest expense was incurred under this line for the year ended June 30, 2025 or 2024. This line was renewed and expires April 28, 2026.

## **NOTE 8: RENTAL INCOME**

The Foundation rents its auditorium to various lessees on an as needed basis. Total rental revenues were \$ 28,094 and \$ 42,792 and total rental expenses were \$60,113 and \$42,870 for the years ended June 30, 2025 and 2024, respectively.

## **NOTE 10: CONCENTRATIONS**

### Major Funders

Major funders who have provided greater than 10% of total revenues for the years ended June 30, 2025 and 2024 are as follows:

	<b>2025</b>		<b>2024</b>	
	Revenue	Receivable	Revenue	Receivable
Southeast Florida Behavioral Health	\$ 6,348,020	\$ 608,796	\$ 6,302,313	\$ 643,664
Palm Beach County Community Services	1,308,370	108,040	1,223,150	331,770
Total	<u>\$ 7,656,390</u>	<u>\$ 716,836</u>	<u>\$ 7,525,463</u>	<u>\$ 975,434</u>

The Foundation received approximately 80% and 81% of its revenue from these funders for each of the fiscal years ended June 30, 2025 and 2024, respectively.

The Foundation's right to payment for valid funding requests is generally protected by statutory and contractual frameworks that govern the relationships between the entities, subject to limitations and conditions. However, a policy change at these agencies could have an adverse effect on operations, and the concentrations make the Foundation vulnerable to the risk of a near-term severe impact.

### Concentration of Credit Risk

The Foundation maintains its cash at financial institutions in Palm Beach County. The accounts are fully insured by the Federal Deposit Insurance Corporation, up to \$250,000. The Foundation had approximately \$600,000 in uninsured funds as of June 30, 2025.

### Market Concentrations

The Foundation is located in Palm Beach County, Florida and receives all support from this region.

## **NOTE 12: LEASES**

### Operating capital leases

The Foundation initially entered into a sixty-one-month, non-cancellable, triple net lease in West Palm Beach dated November 4, 2015. The lease was amended for a second time on December 1, 2023 extending the lease until December 31, 2026. The lease calls for monthly rent payments of \$4,003 per month, plus applicable sales taxes. Monthly rent payments will increase to \$4,204 per month, plus applicable sales taxes for the second year, and \$4,414 per month, plus applicable sales taxes for the third year. As a triple net lease, the Foundation is also responsible for taxes, insurance, and operating expenses. Total rent expense under this lease for the years ended June 30, 2025 and 2024 was \$ 77,992 and \$ 74,564, respectively.

In March 2015, the Foundation initially entered into a lease for office space in Belle Glade, Florida. The lease was renewed until September 30, 2028. The lease currently requires monthly rent payments of \$2,024 per month and subsequent payments of \$2,723 by September 2025. Additionally, the Foundation was required to pledge and assign to the Belle Glade lessor all furniture, goods, and chattels as security for rental obligations. The Foundation is generally granted a right of first refusal for periods subsequent to the expiration of the term. For the years ended June 30, 2025 and 2024, rental expense under this lease totaled \$ 24,291 and \$ 23,878, respectively.

The exercise of any renewal options is at the sole discretion of the Foundation, and only lease options that the Foundation believes are reasonably certain to exercise are included in the measurement of the lease assets and liabilities. While all of the agreements provide for minimum lease payments, some include payments adjusted for inflation and operating expenses. Variable payments are not determinable at the lease commencement and are not included in the measurement of the lease assets and liabilities. The lease agreements do not include any material residual value guarantees or restrictive covenants.

### ***Opinion on Each Major Federal Program and State Project***

We have audited Drug Abuse Foundation of Palm Beach County, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* and the *State of Florida Statute Section 215.97* that could have a direct and material effect on each of Drug Abuse Foundation of Palm Beach County, Inc.'s major federal programs and state projects for the year ended June 30, 2025. Drug Abuse Foundation of Palm Beach County, Inc.'s major federal programs and state projects are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs – Federal Awards and State Financial Assistance.

In our opinion, Drug Abuse Foundation of Palm Beach County, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2025.

### ***Basis for Opinion on Each Major Federal Program and State Project***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and *Chapter 10.650 of the Florida Rules of the Auditor General*; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Drug Abuse Foundation of Palm Beach County, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Drug Abuse Foundation of Palm Beach County, Inc.'s compliance with the compliance requirements referred to above.

### ***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Drug Abuse Foundation of Palm Beach County, Inc.'s federal programs and state projects.

## ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Drug Abuse Foundation of Palm Beach County, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Drug Abuse Foundation of Palm Beach County, Inc.'s compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Drug Abuse Foundation of Palm Beach County, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Drug Abuse Foundation of Palm Beach County, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Drug Abuse Foundation of Palm Beach County, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

## **Report on Internal Control over Compliance**

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

## **Report on Internal Control over Compliance (*continued*)**

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

(the "Foundation") (a nonprofit Florida corporation), which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the year ended June 30, 2025, and the related notes to the financial statements, and have issued our report thereon dated December 21, 2025.

***Report on Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered Drug Abuse Foundation of Palm Beach County, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Drug Abuse Foundation of Palm Beach County, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Drug Abuse Foundation of Palm Beach County, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

***Report on Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the financial statements of the Foundation are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts.

### ***Compliance and Other Matters (continued)***

However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### ***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Drug Abuse Foundation of Palm Beach County, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Drug Abuse Foundation of Palm Beach County, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
