2025-2026

TOWN OF PALM BEACH UNITED WAY

A Message to Our Donors

Leadership giving powers the Town of Palm Beach United Way's ability to create meaningful, measurable, and lasting change across Palm Beach County. Your generosity strengthens lives, expands opportunities, and brings hope to neighbors when they need it most.

Last year was a record-breaking year for our Annual Campaign. Leadership gifts of \$1,000 or more provided **93%** of all funds raised, with members of the Alexis de Tocqueville Society and the Red Feather Society contributing more than **\$8.2 million** to support 73 health and human service programs addressing education, health, financial stability, and basic needs.

Your support also reaches beyond annual grants. Donor contributions help make toy, school supply, and food drives possible, while gifts to the endowment help secure the long-term strength and sustainability of our mission.

At a time when many neighbors face rising costs for housing, food, health care, and other essentials, your generosity enables trusted nonprofit partners to deliver proven programs that provide hope, opportunity, and lasting change.

To every donor recognized in these pages, thank you for your generosity, trust, and unwavering commitment. Your investment changes lives, inspires others to give, and strengthens our community for generations to come. As we begin our 82nd Annual Campaign, we are honored to stand beside you and deeply grateful for your partnership.

Warm regards,

Richard Rothschild

Alexis de Tocqueville Society *of The* Town of Palm Beach United Way

The Town of Palm Beach United Way's Alexis de Tocqueville Society honors visionary philanthropists whose annual gifts of \$10,000 or more reflect an extraordinary commitment to strengthening our community. Through their leadership, Tocqueville members help create lasting opportunities for individuals and families across Palm Beach County.

During our most recent campaign, under the leadership of Co-Chairs **Kimberly and Scott Goodwin** and **Josephine and Jason Kalisman**, **249 Tocqueville Society members** contributed an incredible **\$7,257,985** - the largest campaign in the Society's history since its founding in 1990. Their collective investment continues to support programs that address our community's most pressing needs.

Beyond their financial support, Tocqueville members serve as advocates and ambassadors who inspire others through their example of philanthropy and service. Their engagement strengthens the fabric of our community and helps drive meaningful, lasting change.

We are deeply grateful to the members of the Alexis de Tocqueville Society for their enduring commitment and for the impact they make possible through their generosity and leadership.

"I give to the Town of Palm Beach United Way because I believe deeply in the power of neighbors helping neighbors. Our community is strongest when we come together to support those who need a helping hand, and the United Way plays a vital role in making that possible.

"As Mayor of Palm Beach, I see firsthand how important it is that families, children, and seniors have access to the resources and opportunities they need to thrive. The United Way connects people with essential services, strengthens local organizations, and ensures that compassion and generosity translate into real impact."

Mayor Danielle Moore

A Trusted and Transparent Grantmaking Process

Each year, the Town of Palm Beach United Way's volunteer review process reflects our unwavering commitment to transparency, accountability, and responsible stewardship. This comprehensive evaluation ensures that every funded program meets the highest standards of financial integrity, measurable outcomes, and meaningful community impact.

At the heart of this process is the Allocation Committee - more than 150 dedicated volunteers who generously contribute their time and expertise. Together, they invest over 1,400 volunteer hours conducting in-depth financial reviews, evaluating program performance, visiting partner agencies, and assessing long-term sustainability.

Working collaboratively, these volunteer leaders carefully examine each funding request, identify the community's greatest needs, and make informed grant recommendations to our Board of Trustees for final approval.

This thoughtful, community-driven process ensures that every donor dollar is invested wisely - supporting programs that deliver measurable results and create lasting change throughout Palm Beach County.
