TOWN OF PALM BEACH UNITED WAY
2024-2025 COMMUNITY REPORT

WE ARE HERE IN THE COMMUNITY

For 80 years, the Town of Palm Beach United Way has been uniting people, businesses, and nonprofits to drive positive change in our community. By fostering collaboration and strategically investing in solutions, we address the most pressing challenges in Palm Beach County. Together, we're building a stronger, more resilient community—where everyone has the opportunity to thrive.

WE ARE A FORCE FOR LASTING CHANGE

United with our partners, the Town of Palm Beach United Way is building a brighter future—one where every child can thrive, every individual can reach their full potential, and every family has the support they need to live free from poverty.

To create lasting opportunity, we take a holistic approach—focusing on **education, health, and financial stability**.

- We believe children succeed in school and life when they receive a quality education.
- We know families are more secure when they have the skills and resources to obtain and maintain fair-paying jobs.
- And we understand that access to affordable health care leads to stronger, more productive lives for all.

Together, we are building a community where everyone has the opportunity to thrive and succeed.

WE ARE TRUSTED AND EFFECTIVE

We hold a 4-star rating from Charity Navigator and a Platinum Transparency designation from Candid, the highest ratings possible from the nation's leading charity assessment organizations. We are volunteer led, and volunteer driven, with a network of 500+ volunteers. Over the last six years, the Town of Palm Beach United Way has had an average operational overhead ratio of 7.65%, compared to the national nonprofit average of 25%.

Campaign RESULTS

The Town of Palm Beach United Way’s annual campaign ran from July 1, 2024, through June 30, 2025. During this period, hundreds of donations were received from individuals, families, employees, companies, and organizations dedicated to supporting our community.

The majority of funds raised are distributed directly to our nonprofit partner agencies, enabling them to deliver vital programs and services. In addition, a portion of the funds is allocated to annual collection drives, special initiatives such as disaster recovery and emergency grants, and donor-designated gifts that support causes important to our contributors.

KIMBERLY GOODWIN AND JOSEPHINE KALISMAN

Next-Gen UNITED WAY

Next-Gen United Way is a local initiative dedicated to building a community of engaged stakeholders aged 50 and under. This initiative inspires younger generations to invest their time, energy, and resources in the community through the Town of Palm Beach United Way.

Next-Gen United Way creates meaningful opportunities for emerging leaders to get involved and empowers them to support and advance the mission of the United Way. This movement offers a unique chance for the next generation to drive lasting, positive change throughout Palm Beach County.

The Next-Gen Challenge Match was made possible by **Kimberly and Scott Goodwin**, and **Josephine and Jason Kalisman**, who established a matching fund to inspire new giving to the Town of Palm Beach United Way. During the campaign, every new or increased donation from a Next-Gen donor was matched dollar-for-dollar up to \$100,000, effectively doubling the impact of each gift.

This remarkable initiative leveraged contributions and enabled the United Way to make an even greater difference in our community. In total, the Next-Gen Challenge Match raised **\$191,795 from 26 donors**, 24 of whom are new donors to the United Way.

Red Feather SOCIETY

Founded in 1987, the Town of Palm Beach United Way's Red Feather Society recognizes leadership donors whose contributions make a significant impact in our community. Membership is granted to donors who contribute between \$1,000 and \$9,999 annually.

Since its inception, the Red Feather Society has raised more than **\$19 million**, helping to address the most pressing needs of individuals and families throughout Palm Beach County.

Allocation COMMITTEE

The Town of Palm Beach United Way distributes funds to nonprofit partner agencies through a volunteer-driven grant allocation review process, which is the cornerstone of our organization’s commitment to accountability and impact.

Allocation Committee volunteers serve as the eyes and ears of thousands of donors. Over three months, these dedicated volunteers invest countless hours assessing community needs and agency services. They carefully analyze financial information, visit partner agencies, and meet with agency staff and board members to develop informed funding recommendations for the Town of Palm Beach United Way Board of Trustees.

It’s important to note that last year, **140 volunteers reviewed 78 health and human service programs** across Palm Beach County. Collectively, the committee brought **over 850 years of combined experience**, contributed more than **1,200 volunteer hours**, and drove approximately **8,500 miles** to visit partner agencies and assess programs firsthand.

These remarkable efforts highlight the deep commitment of our volunteers to ensure that Town of Palm Beach United Way funds are invested wisely and effectively to meet our community’s most pressing needs.

The accompanying graph illustrates the percentage of funds allocated to each of our key impact areas, demonstrating how your contributions directly support the well-being of our community.

Every child in our community deserves an equal opportunity to learn and succeed. Together, we ensure that every child in our community enters kindergarten ready to learn, has the support they need to develop skills for success, and receives essential social and emotional support from preschool to graduation and beyond.

A PATH TO OPPORTUNITY:

Jenaire and Adrien's Story

Parents Jenaire and Adrien faced a difficult challenge in finding preschool care for their daughter, Lila. Although their combined income was slightly above the threshold for subsidized tuition assistance, it was nowhere near enough to afford the high cost of childcare in Florida.

With limited options, they considered reducing their work hours or taking lower-paying jobs to qualify for assistance—choices that would have set them back on their path to self-sufficiency.

Fortunately, they were introduced to **Opportunity Early Childhood Education and Family Center**, a Town of Palm Beach United Way partner agency since 1945. Through the agency's ability-to-pay sliding tuition scale, Jenaire and Adrien were able to enroll Lila in high-quality **early childhood education**.

Jenaire was overjoyed with her daughter's progress and impressed by her readiness for elementary school. The family is deeply grateful that Opportunity offered enriching, affordable programming that gave Lila the strong start she deserved.

DID YOU KNOW?

The median yearly price in 2024 for center-based preschool care in Palm Beach County was \$12,687, according to the U.S. Department of Labor. U.S. families spend between 8.9% and 16.0% of their median income on daycare for just one child.

Health GRANTS

Health and well-being are essential components of a productive, stable life. Healthy children perform better in school and healthy adults perform better in the workplace. When all residents have access to quality medical care and supplies the result is a thriving community and a local economy that benefits from millions of dollars saved on healthcare costs. Together, we are building a stronger, healthier Palm Beach County by funding programs that give people access to quality health care, assist those experiencing mental health and substance abuse issues, and support elderly adults and individuals with disabilities.

This year we are investing \$1,477,400 into
23 programs at 17 agencies to benefit 30,342 patients.

EMPOWERING COLE:

A Story of Mobility and Hope

Cole was diagnosed with Spastic Quadriplegia, a condition that limits his ability to use his arms and legs, requiring assistance with daily activities like eating, bathing, and dressing. While specialized equipment helps Cole live a more productive life, the high cost of medical supplies places a significant burden on his parents, Adam and Jennifer.

With limited income, Adam and Jennifer needed help affording the equipment essential to Cole's safety and independence. Fortunately, they found **Clinics Can Help**, a Town of Palm Beach United Way partner agency since 2012. Clinics Can Help maintains a large **Lending Closet** stocked with a wide variety of durable medical equipment available for both short- and long-term loans.

For the past 11 years, the agency has provided low-cost and free equipment to support Cole's needs.

Frequently available items include wheelchairs, adaptive strollers, walkers, canes and crutches, beds, shower chairs, nebulizers, and lift chairs.

Cole and his family are deeply grateful for the resources that ensure his safety, mobility, independence, and quality of life.

DID YOU KNOW?

Medicare and private insurance companies will pay for some types of assistive equipment, but only those which they deem medically necessary. Even items that insurance may cover, like power wheelchairs, still have very high copays. Moreover, Medicare will typically replace power wheelchairs once every five years, but many individuals need replacements closer to every three years.

Financial Stability GRANTS

We are working to break the cycle of multi-generational poverty by providing the supports and services that move individuals and families out of poverty and help them become financially stable. We fund programs that support permanent housing, temporary and emergency shelter, food insecure families, job skills and placement, adult education, and financial aid. Together, we give everyone in our community a path to financial independence and a chance at a better life.

This year we are investing \$1,608,400 into 29 programs at 18 agencies to benefit 129,339 people.

DEREK'S JOURNEY TO

Stability and Hope

After a history of incarceration and substance abuse, Derek became homeless. When it came time for him to leave the system, he faced daunting obstacles: he had no place to stay, no job, and lacked the skills needed in today's workforce.

With the guidance of his re-entry case manager, Derek was introduced to **The Lord's Place**, a Town of Palm Beach United Way partner agency since 2000. Derek was placed in housing at The Lord's Place Mann Campus and enrolled in the agency's **Café Joshua culinary training program**, where he gained valuable skills that built his confidence and prepared him for independent employment.

Today, Derek remains stably housed and continues to work with his case manager to secure a job. Most importantly, he has re-established contact with his children, taking meaningful steps toward rebuilding his life and future.

DID YOU KNOW?

Nationally, about 98% of people who are sentenced to prison will return there, and two-thirds of them are re-arrested within three years. In Palm Beach County, about 1,200 people are released from prison annually. It costs taxpayers \$48,910 per year to house one adult in the Palm Beach County jail.

Hurricane Recovery FUND

In late September 2024, the Town of Palm Beach United Way created a **Hurricane Recovery Fund** to support relief efforts in communities impacted by both Hurricane Helene and Hurricane Milton.

Hurricane Helene tore through Florida's Gulf Coast and Big Bend regions as a powerful Category 4 storm before continuing its destructive path through the Southeastern United States, devastating parts of Georgia, Tennessee, and North Carolina. Just two weeks later, **Hurricane Milton** made landfall near Siesta Key, Florida as a dangerous Category 3 storm, bringing flooding and storm surges to the west coast, and spawning deadly tornadoes across the state, including in Palm Beach and Martin Counties.

To help communities recover from these catastrophic storms, the Town of Palm Beach United Way established the Hurricane Recovery Fund, made possible through the generosity of several donors who provided matching gifts to multiply the impact of contributions.

LA County Wildfires FUND

In January 2025, the Town of Palm Beach United Way established a **Wildfires Relief Fund** to support families, first responders, and communities impacted by the unprecedented wildfires in Southern California.

Several major wildfires, including the **Palisades and Eaton fires**, ravaged Southern California, claiming at least 30 lives and displacing more than 150,000 people. The fires scorched approximately 40,000 acres and destroyed over 16,000 structures, leaving behind widespread devastation.

Cleanup and rebuilding efforts will require long-term support, and the Wildfires Relief Fund was created to provide critical assistance to those affected during this challenging time.

The Town of Palm Beach United Way is grateful to the many generous donors who contributed to the fund to support ongoing emergency response efforts in the greater Los Angeles area, including the donors below who inspired others through matching gifts.
