Independent Auditors' Report

To the Board of Directors of
The Lord's Place, Inc. and
The Lord's Place Foundation, Inc.
West Palm Beach, Florida

Opinion

We have audited the accompanying consolidated financial statements of The Lord's Place, Inc. (a non-profit organization) and its consolidated affiliate (the Agency) which comprise the consolidated statements of financial position as of June 30, 2025 and 2024, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Agency as of June 30, 2025 and 2024, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Agency and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Lord's Place, Inc. and consolidated affiliate's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Agency's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Report on Supplementary and Consolidating Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, Audit Requirements for Federal Awards*, the schedule of expenditures of state financial assistance projects, and the related notes are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information and the consolidating information listed in the table of contents are presented for purposes of additional analysis of the consolidated financial statements rather than to present the financial position, results of operations, and cash flows of The Lord's Place, Inc. and consolidated affiliate. The supplementary and consolidating information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the consolidated financial statements. The supplementary and consolidating information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*. In our opinion, the supplementary and consolidating information are fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 19, 2026, on our consideration of The Lord's Place, Inc. and consolidated affiliate's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

THE LORD'S PLACE, INC. AND CONSOLIDATED AFFILIATE

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Note 1 – Nature of Activities and Summary of Significant Accounting Policies

Nature of activities

The Lord's Place, Inc. (the Lord's Place) is a non-sectarian organization dedicated to breaking the cycle of homelessness for men, women, and children in our community. Supportive services offered through our housing programs include case management, recovery support, behavioral health care and coordination, budgeting, and financial counseling, as well as services designed to secure and maintain employment, reconnect with family, and participate in community life.

The Agency's affiliate, The Lord's Place Foundation, Inc. (the Foundation) was incorporated in January 2025. The Foundation's mission includes conducting and supporting activities for the benefit of or to carry out the charitable activities and purposes of The Lord's Place, Inc. through stewardship of long-term gifts and endowments. The Foundation shall at all times be operated, supervised and controlled, both directly or indirectly by the Lord's Place.

Description of programs

The significant program services provided by The Lord's Place and its affiliate (collectively, the Agency) are briefly described as follows:

Housing

The Agency provided supportive and graduate housing for over 200 households daily, addressing homelessness through a diverse range of housing programs. These programs included Alexander Place: Housing 37 families; Mann Campus: Supporting 50 single men; three (3) Burckle Place Campuses: Accommodating 43 single women; C-Place: Serving 10 individuals with severe and persistent mental illness; Housing First Scattered-Site Programs: Supporting more than 80 individuals experiencing chronic homelessness.

In addition to safe housing, the Agency delivered comprehensive wraparound services tailored to resident needs, including case management, benefits navigation, job training and placement, life skills education, healthcare coordination, and peer support. These efforts empowered residents to achieve stability and self-sufficiency.

As a result of this holistic approach, over 90% of residents successfully maintained or transitioned to stable housing each year, demonstrating the organization's effectiveness in combating homelessness and promoting long-term stability.

Job Training, Employment Services & Social Enterprises

The Agency provided comprehensive employment services for over 440 adults who were experiencing homelessness and unemployment. These services included job coaching, job skills training, cognitive-behavioral intervention instruction, adult basic education, GED preparation tutoring, and job placement and retention support.

A cornerstone of the Agency's offerings was its innovative culinary program, which combines hands-on vocational training with cognitive-behavioral intervention. The program equips formerly homeless apprentices with the skills needed for employment in roles such as sous chefs, line cooks, and other restaurant positions. Apprentices train alongside professional chefs while providing hundreds of free, gourmet meals weekly at the Agency's Café Joshua.

Through this job training initiative, more than 150 participants enhanced their job skills annually, with 110 successfully securing employment, demonstrating the program's impact on building self-sufficiency and fostering long-term stability.

Community Engagement

The Agency operated the largest street outreach program by geographic area in Palm Beach County, Florida, serving over 1,000 unsheltered individuals. This program addressed immediate needs by providing food, hygiene products, blankets, identification assistance, housing navigation, and referrals to mental health and substance use treatment services. More than 550 individuals were connected to housing, including reunification with family and friends, secured rental housing, or accessed emergency shelter, rapid rehousing, and supportive housing programs.

The Agency is the designated Projects for Assistance in Transition from Homelessness (PATH) provider for Palm Beach County, delivering outreach and case management services to individuals experiencing homelessness and co-occurring serious mental illness. In the past year, 99 individuals were served, with over 50% connected to the Agency's SSI/SSDI Outreach, Access, and Recovery (SOAR) program. This program utilized a national best-practice model to help individuals with disabilities experiencing homelessness access Social Security benefits and healthcare. Among PATH program participants who exited, 74% transitioned to stable housing.

The Agency also employed trained staff to facilitate the SOAR process for individuals experiencing homelessness. Last year, 60 Social Security benefit applications were submitted, with an approval rate of 81%—substantially higher than Florida's statewide approval average.

Re-entry

The Agency's reentry program supported over 200 adults annually as they transition back into the community following incarceration. The program offered comprehensive services, including case management, job training, peer support, healthcare coordination, referrals to community-based mental health and substance use treatment, housing navigation and placement, family reunification assistance, and more.

As a result of these efforts, more than 80% of participants avoided re-arrest for at least one year after enrollment, reflecting the program's success in fostering stability and reducing recidivism.

Beyond direct services, the reentry program actively participated in reentry coalitions, collaborative initiatives, and advocacy efforts to address systemic criminal justice issues and improve outcomes for individuals affected by incarceration.

Clinical and Care Coordination Services

The Agency's Counseling, Access, Recovery, and Education (CARE) Team provided integrated healthcare support and coordination for 130 unhoused individuals who were experiencing acute and/or chronic physical and behavioral health conditions. This multidisciplinary team included a licensed clinical social worker, a board-certified psychiatric nurse practitioner, a recovery coordinator, a certified community health worker, and other key members of clients' support systems, such as housing staff, case managers, job coaches, and benefits navigators.

The CARE Team delivered a wide range of services, including care coordination, medical advocacy, psychiatric assessments, treatment planning, medication management, crisis intervention, recovery support, and assistance with preventative and primary healthcare. Staff assisted clients with scheduling and attending healthcare appointments, following treatment plans, monitoring health indicators (e.g., blood pressure, diabetes management, wound care), managing health insurance, and more.

Clinical and Care Coordination Services, continued

As a result of these efforts, 82% of clients avoided or reduced their use of emergency services. Among those who exited the program, 88% were successfully connected to health insurance and a community-based medical home, ensuring continuity of care and long-term health stability.

A summary of the significant accounting policies used to prepare the accompanying consolidated financial statements follows:

Principles of consolidation

These consolidated financial statements include the balances and financial activities of The Lord's Place, Inc. and The Foundation, for which The Lord's Place, Inc. has both control and economic interest. All significant intercompany accounts and transactions have been eliminated in consolidation.

Basis of consolidated financial statement presentation

The consolidated financial statements are prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

Net assets of the Agency and changes therein are classified as follows:

Net Assets Without Donor Restrictions – Net assets available for the support of the Agency's operations. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

Net Assets With Donor Restrictions – Net assets subject to donor-imposed stipulations. Some donor-imposed restrictions are temporary in nature, such as those that may or will be met either by actions of the Agency or the passage of time. Other donor-imposed restrictions are perpetual in nature, where the donor stipulated that resources be maintained in perpetuity. Generally, the donors of these assets permit the Agency to use all or part of the earnings on related investments for general or specific purposes. When a donor restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the consolidated statements of activities.

Grant revenue

The Agency receives various grants from federal, state, local, and private agencies for program and supporting service expenses. These grants are generally on a cost reimbursement basis, including recoverable overhead. Revenue from grants is deemed earned and recognized in the consolidated statements of activities when expenditures are made for the purposes specified.

The Agency is the recipient of cost reimbursement grant funds. The grant revenue is recognized as the specified costs described in the grant agreements are incurred. Any amounts collected in advance of incurring specified costs are reflected as deferred revenue.

Grants receivable are stated at the amount of the uncollected balances less any allowance for doubtful collection. There was no allowance for bad debts related to grants receivable at June 30, 2025 and 2024.

Revenue recognition

Special event revenue

The portion of attendee fees and tickets sold that relate to the commensurate value the attendee receives in return is recognized when the related events are held and performance obligations are met. The portion of sponsorship revenue that relates to commensurate value the sponsor received in return is recognized when the related events are held and performance obligations are met.

Social enterprises and residence fees

Revenues from fees are recognized over the terms of the program and the period of service provided. Amounts collected in advance but unearned are reflected in the consolidated statement of financial position, as deferred revenue.

Cash and cash equivalents

Cash and cash equivalents include demand deposits, certificates of deposit, money market accounts, and other highly liquid investments with an original maturity of three months or less. The Agency classified any cash or money market accounts held by external investment managers as investments as the intent is to hold and reinvest these amounts in its investment portfolio.

Restricted cash

The Agency’s restricted cash accounts consist of client security deposits received under lease arrangements and an escrow deposit account required under the Agency’s mortgage note (see Note 8). A reconciliation of cash, cash equivalents and restricted cash at June 30, 2025 and 2024, follows:

	2025	2024
Cash and cash equivalents	\$ 2,056,661	\$ 1,915,841
Restricted cash	673,825	677,252
Total cash, cash equivalents, and restricted cash shown in the consolidated statements of cash flows	\$ 2,730,486	\$ 2,593,093

Contributed non-financial assets (in-kind contributions)

Contributions of donated services that create or enhance non-financial assets or that require specialized skills are provided by individuals possessing those skills that would typically need to be purchased, if not provided by donation, and are recorded at their fair values in the period received. The Agency’s policy related to gifts-in-kind is to utilize the assets given to carry out its mission. All gifts-in-kind received by the Agency for the years ended June 30, 2025 and 2024, were considered without donor restrictions and able to be used by the Agency as determined by the Board of Directors and management (see Note 16).

Contributions and contributions receivable

Transfers of cash or other assets or settlement of liabilities that are both voluntary and nonreciprocal are recognized as contributions. Contributions may be either conditional or unconditional. Conditional contributions are recognized as revenue on the date all donor-imposed barriers are overcome or explicitly waived by the donor. Barriers may include specific and measurable outcomes, limitations on the performance of an activity and other stipulations related to the contribution. Assets received before the barrier is overcome are accounted for as refundable advances.

THE LORD'S PLACE, INC. AND CONSOLIDATED AFFILIATE
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS, CONTINUED

Note 1 – Nature of Activities and Summary of Significant Accounting Policies, Continued

Contributions and contributions receivable, continued

Contributions are recognized in revenue when cash, securities, or other assets, an unconditional promise to give, or notification of beneficial interest is received. All public support and revenue are considered to be available for unrestricted use unless specifically restricted by the donor. Conditional promises are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions.

Unconditional promises to give (contributions receivable) that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected beyond one year are discounted to their net present value by applying an appropriate discount rate commensurate with the risks involved. An allowance for uncollectible contributions receivable is provided based on management's judgment of potential defaults and historical experience.

Use of estimates

The preparation of consolidated financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period and the reported amounts of assets and liabilities at the date of the consolidated financial statements. On an ongoing basis, management evaluates the estimates and assumptions based upon historical experience and various other factors and circumstances. Management believes that the estimates and assumptions are reasonable in the circumstances; however, the actual results could differ from those estimates.

Investments and endowment

Investments are held in the custody of an investment firm that manages the Agency's investments in accordance with policies set by the Board of Director's Investment Committee. Investments in closed-end and open-end mutual funds, as well exchange-traded funds (ETFs) and index funds are reported at fair value based on daily quoted prices. Money market funds maintain a constant net asset value of \$1 per share. Corporate bonds, common stocks, and commodities are measured at quoted market prices. Real estate investment trusts are measured at net asset value per share or its equivalent. Investments received as contributions are recorded at quoted market value or estimated fair value on the date of receipt. Realized and unrealized gains and losses are determined by comparison of specific costs of the investment to the proceeds at the time of sale or at the statement of financial position date.

Endowment investments consist of investments purchased with donor-restricted perpetual endowments, which are contributions restricted by donors to investment in perpetuity with only investment income and appreciation being used to support the Agency's activities. Endowment investments also include investments purchased with unspent investment income and net gains on these resources.

The Agency's investments, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility risk. In addition, due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and those changes could materially affect the amounts reported in the consolidated statements of financial position.

Purchased investments are initially recorded at cost and contributed investments are initially recorded at fair value on the date received, and any net appreciation or loss arising thereafter is reported annually in the statements of activities. Gains and losses on investments, including changes in market value, are reported in the consolidated statements of activities as increases or decreases in net assets without donor restrictions or net assets with donor restrictions.

THE LORD'S PLACE, INC. AND CONSOLIDATED AFFILIATE
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS, CONTINUED

Note 1 – Nature of Activities and Summary of Significant Accounting Policies, Continued

Property and equipment

Property and equipment is stated at cost or, if donated, at the fair value at the date of donation. Depreciation is computed by the straight-line method over the estimated useful lives of the assets. These estimated useful lives are summarized in the following table:

Building and building improvements	20-40 years
Furniture and equipment	5-10 years
Transportation equipment	3-5 years

When assets are retired or otherwise disposed of, the cost or donated value and related accumulated depreciation are removed from the statements of financial position and any resulting gain or loss is reflected in the statements of activities. Maintenance and repairs are charged to expense as incurred.

Income taxes

The Lord's Place, Inc. and The Foundation have both been granted tax-exempt status under Internal Revenue Code (IRC) Section 501(c)(3). Accordingly, no provision for income taxes has been recorded in the accompanying consolidated financial statements. The Agency is required to operate in conformity with the provisions of the IRC to maintain its exempt status.

Management analyzes tax positions in jurisdictions where it is required to file income tax returns. Based on its evaluation, management did not identify any tax positions for which it is reasonably possible that the total amounts of unrecognized tax benefits will significantly increase or decrease. Interest and penalties attributable to income taxes, if any, are included in operating expenses. The Agency is no longer subject to income tax examinations for years prior to 2022.

Leases

The Agency classifies a lease as operating or finance using the classification criteria set forth in ASC 842. Further, the Agency recognizes a lease right-of-use (ROU) asset and a corresponding lease liability on its statement of financial position as of the lease commencement date based on the present value of the lease payments over the lease term.

The Agency's leases do not provide an implicit interest rate. The Agency uses a practical expedient to use the risk free rate to calculate the present value of the Agency's lease payments as of the commencement date. The term of a lease is inclusive of any option to renew, extend, or terminate the lease when it is reasonably certain that the Agency will exercise such option. For operating leases, lease expense is recognized on a straight-line basis over the lease term. For finance leases, ROU assets are amortized on a straight-line basis over the shorter of the lease term or the estimated useful life of the leased asset.

Functional allocation of expenses

The Agency allocates its expenses on a functional basis among its various programs and supporting services. Expenses that can be identified with a specific program and supporting service are allocated directly according to their natural expenditure classification. The consolidated financial statements report certain categories of expenses that are attributable to one or more programs or supporting functions of the Agency.

Expenses that apply to more than one functional category include administration, program administration, evaluation and research, and occupancy costs.

THE LORD'S PLACE, INC. AND CONSOLIDATED AFFILIATE
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS, CONTINUED

Note 1 – Nature of Activities and Summary of Significant Accounting Policies, Continued

Functional allocation of expenses, continued

Administration is allocated based upon management's estimate of time and effort, program administration and evaluation and research are allocated based upon total direct expenses by program, and occupancy is allocated based on the square footage of the property used by the respective program.

Periodically, or when new space or programs are added, the bases on which costs are allocated are evaluated.

Note 2 – Liquidity and Availability of Resources

Financial assets available for general expenditures within one year of June 30, 2025 and 2024, are as follows:

	<u>2025</u>	<u>2024</u>
Financial assets:		
Cash and cash equivalents	\$ 2,056,661	\$ 1,915,841
Restricted cash	673,825	677,252
Investments	12,358,903	12,209,883
Grants and other receivables, net	806,490	1,160,004
Contributions receivable, net	<u>724,479</u>	<u>1,396,582</u>
Total financial assets	16,620,358	17,359,562
Less: financial assets held to meet donor-imposed restrictions:		
Purpose-restricted net assets (Note 13)	(6,164,696)	(8,032,164)
Donor-restricted endowment funds perpetual in nature (Note 13)	(575,107)	(575,107)
Less: Board designated assets (Note 14)	(363,365)	(363,365)
Less: Restricted under mortgage note (Note 8)	(533,470)	(533,470)
Less: Noncurrent contribution receivable	(166,003)	(366,560)
Less: Contractual restrictions	<u>(140,355)</u>	<u>(143,782)</u>
Amount available for general operating expenditures within one year	<u>\$ 8,677,362</u>	<u>\$ 7,345,114</u>

The Agency is substantially supported by grants and contributions without donor and with donor restrictions. Because a grant or donor's restriction requires resources to be used in a particular manner or in a future period, the Agency must maintain sufficient resources to meet those responsibilities to its donors. The Agency's endowment fund has funds designated by the Board to support its mission to serve the homeless.

The Agency has a goal to maintain financial assets, which consist of cash and short-term investments, on hand to meet 180 days of normal operating expenses. Although the Board of Directors desires to maintain the principal amount as an endowment, it is available to support operations if needed. Financial assets not included above are designated with donor restrictions and it is the Board of Directors' desire to maintain them as such. If needed, those financial assets with donor restrictions can be used as financial resources, as directed by the Board of Directors for operational purposes, in certain circumstances.

As part of the Agency's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. In the event of an unanticipated liquidity need, the Agency has an available line of credit that can be used to meet its current obligations, if necessary (see Note 7).

Net investment return	\$ 711,729	\$ 733,388

Note 4 – Fair Value Measurements

Accounting guidance establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Quoted prices are available in active markets for identical investments as of the reporting date.

Level 2 – Quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

Level 3 – Pricing inputs are unobservable for the investment and include situations where there is little, if any, market activity for the investment. The inputs into the determination of the fair value require significant management judgment or estimation.

The Agency's investments are reported at fair value. Fair value is determined by the following methods:

Money market funds – valued using net asset value (NAV) \$1.

Mutual funds and ETFs – valued at the daily closing price as reported by the Fund. Mutual funds held by the Agency are open ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds and exchange traded funds held by the Agency are deemed to be actively traded (Level 1 inputs).

Common stocks – valued at the closing price reported on the active market on which the securities are traded on the last business day of the Agency's fiscal year.

Corporate bonds – determined by the closing bid price on the last business day of the fiscal year if actively traded.

THE LORD'S PLACE, INC. AND CONSOLIDATED AFFILIATE
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS, CONTINUED

Note 4 – Fair Value Measurements, Continued

Structured notes – Fair value determined through prices obtained from over-the-counter exchanges and other brokerage services through third parties, and do not reflect adjustments taken by such third parties for financial reporting purposes arising from changes in the market value of such transactions.

Real estate investment trust (RIT) – valued at the NAV of units of a real estate investment trust fund. The NAV, as provided by the fund manager of the RIT, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Unitholder transactions (purchases and sales) may occur daily.

The following table summarizes the Agency's determination of fair value as of June 30, 2025 and 2024, on the following financial assets using these input levels that are measured at fair value on a recurring basis:

Fair Value Measurement as of June 30, 2025				
	Level 1	Level 2	Level 3	Fair Value Total

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of financial position.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The Starwood Real Estate Income Trust (RIT or the trust) is a perpetual life non-traded real estate investment trust composed of real estate investments in multifamily and industrial properties and reports its NAV of units of the RIT. The objective of the trust is to provide income-producing returns on invested real estate. The trust's investments primarily consist of direct real estate investments as well as investments in real estate collateralized debt.

Note 5 – Contributions Receivable, Net

Contributions receivable consist of the following at June 30, 2025 and 2024:

	2025	2024
Homeless services	\$ 300,000	\$ 150,000
Capital campaign	<u>449,086</u>	<u>1,306,179</u>
Total unconditional promises to give	749,086	1,456,179
Less: unamortized discount	<u>(22,997)</u>	<u>(33,159)</u>
	726,089	1,423,020
Less: allowance for doubtful collections	<u>(1,610)</u>	<u>(26,438)</u>
Contributions receivable, net	<u>\$ 724,479</u>	<u>\$ 1,396,582</u>
Amounts due in:		
Less than one year	\$ 560,086	\$ 1,063,181
One to five years	<u>189,000</u>	<u>392,998</u>
	<u>\$ 749,086</u>	<u>\$ 1,456,179</u>

The Agency applied discount rate is 1.82% as of both June 30, 2025 and 2024, to all contributions receivable with terms in excess of one year. The allowance for doubtful collections is estimated and adjusted based upon management's assessment of current economic conditions that would affect the adequacy of the allowance.

Note 6 – Property and Equipment

Property and equipment as of June 30, 2025 and 2024, consists of the following:

	2025	2024
Land	\$ 1,534,020	\$ 1,534,020
Building and building improvements	21,375,530	17,912,624
Furniture and equipment	1,653,555	1,598,720
Transportation equipment	<u>675,986</u>	<u>725,296</u>
	25,239,091	21,770,660
Less: accumulated depreciation	<u>(5,205,565)</u>	<u>(4,578,892)</u>

Property and equipment, net	<u>\$ 21,908,308</u>	<u>\$ 21,613,196</u>

Depreciation totaled \$655,483 and \$550,865 for the years ended June 30, 2025 and 2024, respectively. As of June 30, 2025, construction in progress consists of the construction costs for the Agency's future program housing and existing facility improvement projects.

Note 6 – Property and Equipment, Continued

During the year ended June 30, 2024, the Agency reviewed long-lived assets for impairment due to changes in circumstances which indicated the carrying value of certain property and equipment may not be recoverable. Recoverability is measured by a comparison of the carrying amount to the future net undiscounted cash flow expected to be generated and any estimated proceeds from the disposition. Management determined certain property and equipment's carrying value was not recoverable. For the year ended June 30, 2024, the Agency recognized an impairment loss of \$799,369 related to the net book value of certain property and equipment that was disposed of as a result of construction of the Agency's West Palm Beach Resource Center. The impairment charge is included in the non-operating activities section of the accompanying consolidated statement of activities for the year ended June 30, 2024. There was no impairment charge recorded for the year ended June 30, 2025.

Note 7 – Lines of Credit

Collateralized line of credit

The Agency has an available revolving line of credit with a financial institution that provides for borrowings of up to \$5,800,000 (the line of credit) with a minimum withdrawal requirement of \$55,000. The Agency had no borrowings outstanding on the line of credit as of June 30, 2025 and 2024. The line of credit is due on demand, bears interest at a variable rate set by the financial institution (6.43% at June 30, 2025) and is collateralized by the Agency's investments held with the financial institution.

Uncollateralized line of credit

The Agency had a revolving line of credit with a bank that provided for borrowings of up to \$25,000 (revolving line of credit). The Agency had no borrowings outstanding on the revolving line of credit as of June 30, 2024, and it matured in November 2024 and was not renewed.

Note 8 – Forgivable Mortgage Debt

The Agency entered into a loan agreement (Loan Agreement) with Palm Beach County (the County) to assist in funding the construction of "Bill's Place", a residential project. Under the terms of the Loan Agreement, the County will provide Community Development Block Grant (CDBG) funds allocated from the U.S. Department of Housing and Urban Development (HUD) for the purchase and rehabilitation of Bill's Place, located in West Palm Beach, Florida. The County committed to provide a loan of \$1,630,785 of which \$1,100,000 of the loan is allocated for the purchase of Bill's Place which was purchased in July 2023, with the remaining \$530,785 designated and held in escrow for rehabilitation costs expected to be complete by March 31, 2026. At June 30, 2025 and 2024, the loan funds held in escrow are included in restricted cash in the accompanying consolidated statements of financial position. The Agency paid \$113,874 and \$85,108 in rehabilitation costs for the years ended June 30, 2025 and 2024, respectively, which are included in property and equipment in the accompanying consolidated statements of financial position. As of June 30, 2025, the Agency had not been reimbursed for these rehabilitation costs from the escrow account. The forgivable mortgage debt is non-interest bearing, and no payments are required unless the loan is accelerated due to an event of default, as defined in the Loan Agreement. The property must serve a qualifying population under the terms of the CDBG grant for at least thirty years. If the terms and conditions under the Loan Agreement are met, the loan's principal will be forgiven at maturity on July 18, 2053.

Note 9 – Leases

The Agency's lease arrangements consist of office equipment, vehicles, housing, office, and retail space leases. The Agency evaluates whether a contractual arrangement that provides it with control over the use of an asset is, or contains, a lease at the inception date.

THE LORD'S PLACE, INC. AND CONSOLIDATED AFFILIATE
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS, CONTINUED

Note 9 – Leases, Continued

The Agency does not recognize a ROU asset or lease liability for leases with an initial term of 12 months or less. Variable lease payments that do not depend on an index or rate or result from changes in an index or rate subsequent to the lease commencement date are recorded as lease expense in the period in which the obligation for the payment is incurred. The Agency's ROU asset is increased by any prepaid lease payments and initial direct costs and reduced by any lease incentives. The Agency's leases do not contain any material residual value guarantees or restrictive covenants.

ROU assets represent the Agency's right to use an underlying asset during the lease term and its lease liabilities represent the Agency's obligation to make lease payments arising from the lease. As of June 30, 2025 and 2024, the Agency's operating lease ROU asset is included as a noncurrent asset and its operating lease liability as lease liability, net included as a non-current liability, and the current portion of the lease liabilities included in current liabilities in the Agency's consolidated statements of financial position. The Agency's finance lease ROU asset is included in property and equipment in the accompanying consolidated statements of financial position.

The following table presents the Agency's lease ROU assets and lease liabilities at June 30, 2025 and 2024:

	2025		2024	
	Operating Leases	Finance Leases	Operating Leases	Finance Leases
Right-of-use assets	\$ 45,417	\$ 126,948	\$ 317,945	\$ 147,448

Total lease liabilities	<u>\$ 45,387</u>	<u>\$ 127,263</u>	<u>\$ 317,925</u>	<u>\$ 139,896</u>

For the years ended June 30, 2025 and 2024, the Agency's operating lease expense is recorded within the various program services or general and administrative expenses in the accompanying consolidated statements of activities. The following table represents the components of lease expense for the years ended June 30, 2025 and 2024:

Note 10 – Employee Retirement Plan

The Agency maintains a qualified IRC 401(k) Retirement Plan (the Plan) for the benefit of substantially all eligible employees. Employees must complete minimum service requirements and may contribute up to 15% of their compensation, not to exceed the maximum amount allowable by the IRC. The Agency matches up to 3% of an eligible employee's gross compensation. The Agency's matching contribution was \$213,190 and \$204,233 for the years ended June 30, 2025 and 2024, respectively.

Note 11 – Concentrations

The Agency maintains its cash and cash equivalent accounts in bank deposit accounts with several high credit quality financial institutions which are insured by the Federal Deposit Insurance Corporation (FDIC). The balances, at times, may exceed federally insured limits. The Agency's uninsured balances as of June 30, 2025 and 2024, totaled approximately \$1,704,000 and \$1,858,000, respectively. The Agency has not experienced any losses in such accounts. To minimize this risk, the Agency uses several financial institutions and reviews the banks' financial condition to help ensure the safety of its deposits.

THE LORD'S PLACE, INC. AND CONSOLIDATED AFFILIATE
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS, CONTINUED

Note 11 – Concentrations, Continued

The Agency receives a portion of its revenue and support from federal program funding which is passed through various state and local governmental entities. A significant reduction in the level of this support, if this were to occur, could have an effect on the Agency's services and activities. Other grants represent amounts received from the local grant funding agencies.

Concentrations of contribution support

For the years ended June 30, 2025 and 2024, approximately 15% and 40%, respectively, of contribution support came from one donor and three donors, respectively.

Note 12 – Net Assets Released from Restrictions

Net assets are released from donor restrictions by incurring expenses satisfying the restricted purposes or by the occurrence of events as specified by the donors. Net assets were released from donor restrictions during the years ended June 30, 2025 and 2024, as follows:

The Agency's funds are established for the purposes expressed in the Agency's charter. The Agency's funds consist of donor-restricted funds and funds designated by the Board of Directors to function as an endowment. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of relevant law

The Agency follows the Florida Uniform Prudent Management of Institutional Funds Act (FUPMIFA). FUPMIFA requires the Board of Directors to use reasonable care, skill and caution as exercised by a prudent investor, in considering the investment management and expenditures of endowment funds. In accordance with FUPMIFA, the Board of Directors may expend so much of an endowment fund as the Board of Directors determines to be prudent for the uses and purposes for which the endowment fund is established, consistent with the goal of conserving the purchasing power of the endowment fund.

Endowment balances classified as without donor restricted assets consist of accumulated investment return in which the donor has not restricted the Agency's use of such return or endowments where the Board of Directors, rather than the donor, decides to retain and invest in principal with only income to be expended.

Funds with deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Agency to retain as a fund of perpetual duration. There were no funds with deficiencies as of June 30, 2025.

THE LORD'S PLACE, INC. AND CONSOLIDATED AFFILIATE
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS, CONTINUED

Note 14 – Endowments, Continued

Return objectives and risk parameters

The Agency has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to grant programs supported by its endowment while seeking to maintain purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Agency must hold in perpetuity, as well as board designated funds. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of multiple benchmarks based on the type of investment while assuming a moderate level of investment risk. The Agency expects its endowment funds, over time, to provide an average rate of return of approximately 5% annually. Actual returns in any given year may vary from this amount.

Strategies employed to achieve objectives

To satisfy its long-term rate-of-return objectives, the Agency relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Agency targets a conservative allocation to achieve its long-term return objectives within prudent risk constraints.

Spending policy

The Agency's policy is to appropriate for distribution each year an amount equal to 100% of the 3-5 year rolling quarterly average of the endowment funds' earnings. Accordingly, over the long-term, the Agency expects the current spending policy to allow its assets to grow at an average of approximately 5% annually. This is consistent with the Agency's objective to maintain the purchasing power of the assets held to provide additional real growth through investment return.

Note 15 – Commitments and Contingencies

Legal matters

From time to time, the Agency is subject to legal proceedings which arise in the ordinary course of its operations. Management believes that the final resolution of these matters will not have a material adverse effect on the Agency's consolidated financial position, cash flows, or results of operations.

Construction contracts

The Agency has entered into a construction contract for the construction of a new multi-generational women's housing complex located in Lake Worth, Florida. Construction in progress totaling \$1,113,544 was capitalized as of June 30, 2025. The total estimated remaining construction cost at June 30, 2025, of \$1,023,000, is expected to be completed by the Spring of 2026.

Support from federal, state and local agencies

Grant awards from federal, state and local governmental entities are subject to certain audit and compliance requirements. Such compliance requirements and program reviews could result in adjustments to grant funds received for disallowed costs or noncompliance with grantor restrictions. No provision has been made for liabilities that may arise from such audits since the amounts, if any, cannot be determined. Management believes that it has operated and conducted grant programs in accordance with the guidelines and requirements from the various governmental agencies.

THE LORD’S PLACE, INC. AND CONSOLIDATED AFFILIATE
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AND
STATE FINANCIAL ASSISTANCE

Note 1 – Basis of Presentation

The purpose of the accompanying schedule of expenditures of federal awards and state financial assistance (the Schedule) is to present, in summary form, total federal award and state financial assistance expenditures of The Lord’s Place, Inc. and Affiliate (the Agency) for the year ended June 30, 2025, which have been financed under the various federal award programs and state financial assistance projects. The Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. Therefore, certain amounts presented in this Schedule may differ from amounts presented in the basic consolidated financial statements.

Note 2 – Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowed or are limited as to reimbursement.

Note 3 – Indirect Cost Rate

The Lord’s Place, Inc. has elected not to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance unless it is contractually required to use the 10 percent de minimis indirect cost rate, in which case it applied the 10 percent de minimis cost rate.

Note 4 – Loan and Loan Guarantee Programs

The Lord’s Place, Inc. had the following forgivable loan balances with continuing compliance requirements outstanding at June 30, 2025:

Bill’s Place – Community Development Block Grant Coronavirus	14.218	<u>\$ 1,630,785</u>
Total Department of Housing and Urban Development		<u>\$ 1,630,785</u>

Note 5 – Subrecipients

There were no payments to subrecipients for the year ended June 30, 2025.

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Consolidated financial statements Performed in Accordance with Government Auditing Standards

To the Board of Directors
The Lord's Place, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of The Lord's Place, Inc. and Affiliate (the Agency), which comprise the consolidated statement of financial position as of June 30, 2025, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated February 19, 2026.

Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Agency's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Agency's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance

To the Board of Directors
The Lord's Place, Inc.
West Palm Beach, Florida

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited The Lord's Place, Inc. and Affiliate's (the Agency) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Agency's major federal programs for the year ended June 30, 2025. The Agency's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Agency complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Agency and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Agency's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Agency's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Agency's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Agency's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Agency's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Agency's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
